Article 16: You have the right to feel safe and protected from harm online.
Erythgl 16: Mae gennych yr hawl i deimlo'n ddiogel ac wedi'ch diogelu rhag niwed ar-lein

1. Introduction and Aims

Sketty Primary School is committed to embracing digital education to enhance learning outcomes, promote digital competence, and ensure safe and equitable access to technology for all learners.

2. Curriculum Integration

Digital competence is a cross-curricular responsibility under the Curriculum for Wales. All teaching staff will embed digital skills across Areas of Learning and Experience (AoLEs), supporting learners to use technology effectively, creatively, and responsibly.

3. Safeguarding and Digital Resilience

The school will follow Welsh Government guidance on digital safeguarding, including web filtering standards, anti-bullying policies, and online safety education. Staff will be trained to identify and respond to online risks, and learners will be supported to develop digital resilience.

4. Infrastructure and Access

Sketty Primary will utilise Hwb services and follow the Education Digital Standards to ensure a consistent and secure digital environment. The school will work with local authorities and partners to maintain equitable access to devices, connectivity, and digital tools.

5. Staff Development and Collaboration

Staff will engage in ongoing professional development to enhance their digital teaching skills. Collaboration with other schools and stakeholders will be encouraged to share best practices and support continuous improvement.

6. Monitoring and Evaluation

This policy will be reviewed annually in line with updates from the Welsh Government and Hwb. Feedback from staff, learners, and parents will inform improvements to digital learning practices.
