Newsletter 16 – September 2025

Dear Parents/Carers, Governors and children

Welcome to our first newsletter of the academic year! September has flown by, and what a busy and exciting start it's been. We are thrilled to see how well the children have settled into their new classes, full of enthusiasm and ready to learn.

From the very first week, our school has been buzzing with activity. There's so much to look forward to this term, and we've already made some wonderful memories.

One of the highlights was Year 6's visit to the Millennium Centre in Cardiff, where they attended a spectacular concert by the Welsh National Opera and Orchestra. It was a truly inspiring experience that brought music and culture to life in a way the children will never forget.

We were also honoured to end the month with a special visit from Mrs Helen Morgan Rees, Director of Education, who joined us to celebrate our recent achievement — receiving the Siarter Iaith Aur (Gold Award). This is a fantastic recognition of our commitment to promoting the Welsh language and culture throughout our school.

We're also delighted to welcome our new School Improvement Advisor, Mr Russell Dwyer, who recently visited Sketty Primary. Mr Dwyer shared how he was immediately struck by the calm and purposeful atmosphere across the school, describing it as a wonderful environment for learning. We're proud that our school ethos shines through to visitors and reflects the hard work of our staff and pupils. We look forward to working closely with Mr Dwyer over the next academic year.

We're incredibly proud of our pupils and staff for all their hard work and dedication. The year ahead promises even more exciting opportunities, and we can't wait to share them with you.

Diolch yn fawr,
Mrs Bev Phillips
Head Teacher
Sketty Primary

Nursery

Meithrin

It has been a pleasure to welcome new children and families to Dragonflies Nursery in both the morning and afternoon sessions, and to welcome afternoon Nursery to mornings. What a busy month it has been and we haven't let the rain hold us back!

The children in morning Nursery have enjoyed taking part in Movement Monday sessions and exploring the wider outdoors. These sessions have also provided an ideal opportunity to deliver our new phonics programme, which begins with listening to and identifying sounds in the environment. The children really enjoyed singing Old MacDonald had a Farm in the forest and then working in pairs to make and guess the noises of a variety of animals. The wind and the rain have also provided lots of opportunities for listening to sounds when we have been outdoors. As well as movement, a key focus of Movement Mondays is to give the children opportunities to relate to their peers and adults in a helpful way, which is so important for learning. A great big thank you for supporting these sessions by providing wellies for your child and sending them to school in their old clothes.

The children in morning Nursery have also been introduced to Dough Disco and Squiggle. Dough Disco is an excellent activity for developing the fine motor skills that are needed for using a variety of mark making implements efficiently, and being able to use cutlery effectively during meal times. We hope you are enjoying Dough Disco at home too. Squiggle is our early years programme for developing gross motor movements and coordination, which are linked to handwriting. Squiggle involves dancing to music, using a progressive scheme of movements. The children then replicate these movements on large pieces of paper with chunky markers. So far, we have focused on top to bottom and bottom to top. If you would like more information on Squiggle and Dough Disco, please come and see Mrs Fox.

Reception

Derbyn

What a fantastic start to the year! Our Reception children have settled in brilliantly and are already making the most of their new classrooms and learning areas.

We kicked off our new topic *Fairytales* with a magical Immersion Day! The children dressed up as their favourite characters, decorated gingerbread men, read exciting stories, and even made porridge in the woods with Mummy Bear using natural materials. It was a day full of fun, imagination, and creativity!

This month, we also introduced our Reception children to their Year 6 Buddies. Each child has been paired with a kind and caring role model who will support them throughout the year. It's been lovely to see new friendships forming across the school.

We're already preparing for our upcoming Year Group Assembly — we can't wait to share what we've been learning!

Thanks for a brilliant first month — here's to an exciting year ahead!

Year 1
Blwyddyn 1

What a fantastic start to the year! The children have settled so well and have already shown so much enthusiasm, curiosity, and creativity in their learning.

During the first week, we focused on getting to know one another and exploring what it means to be part of Year 1. Together, we created our *Class Charter*, thinking carefully about the rules and values that will help us learn and play happily throughout the year. The children also designed their own colourful tray labels, making their space feel personal and welcoming. These activities really helped everyone to feel at home in their new classroom.

We also launched our exciting topic, As Far As the Eye Can See, with an immersion day inspired by the much-loved story The Lighthouse Keeper's Lunch. The children enjoyed making their own picnics, building a giant lighthouse as a team, and even took Hamish the cat all the way to the lighthouse! Their teamwork shone through, and it was a wonderful way to spark curiosity for our new learning journey.

In PE, we have begun SKIP sessions where the children have been developing their skills with energy and enthusiasm. We also enjoyed our first outdoor learning lesson of the year, where everyone suited up and headed outdoors. The children were so engaged as they observed and recorded what they could see outside, bringing real-world experiences into their learning.

Our classroom provision has been buzzing with activity. The children have particularly loved the creative area, producing pesky seagulls, as well as the writing area. Outdoors, the water play, and construction zones have been especially popular, encouraging problem-solving, collaboration, and lots of fun!

We also completed our first No Outsiders activity, reading the story Elmer. This led to thoughtful discussions about what makes us unique and how important it is to celebrate our differences. It was wonderful to see the children embracing these values so early in the year.

Year 2
Blwyddyn 2

We have had a very busy first few weeks in school! The Year 2 children have settled in well to their new routines and classrooms.

As the Year 2 class assembly quickly approaches the classrooms have been full of singing, poems and the practising of lines. The children are all very excited to share their hard work with you.

Our topic this term is Reach for The Stars. We started off the topic with our EPIC planning, where the children wrote questions for things they would like to learn. The children have been learning about the different planets. They have been enjoying researching and learning space facts, as well as reading lots of space stories.

The children have been enjoying outdoor learning and Forest Friday. We have been 'nature detectives' looking for the first signs of Autumn. We have been on scavenger hunts looking for natural materials to make self-portraits. We also enjoyed collecting materials to make birds' nests.

We celebrated Fairtrade Fortnight. We read the story Pablo the super banana and made a pledge to support fair trade where we can.

We have read our first 'No Outsiders' book, which was called Amazing, using the book as a stimulus we discussed and recorded 'what makes a good friend'.

Year 3
Blwyddyn 3

September has been a brilliant month in Year 3! It has been a month of change and excitement as our new Year 3s have transitioned into their new classrooms, teachers, and—most exciting of all—the big yard! The children have taken these changes in their stride and settled in wonderfully.

We began the year with the story Beegu, which led to thoughtful discussions about the power of kindness and the importance of making others feel welcome. From there, we worked together to establish our new routines and create a Class Charter, linking it to the UNCRC Rights of the Child.

In English, we continued our reading journey with The Legend of Spud Murphy. Through this story, the children explored time connectives and fronted adverbials, helping to develop their writing skills. In Maths, we have been focusing on number and place value—developing a deeper understanding of how numbers work and preparing for the exciting challenges ahead.

Our topic, A Step Through Time, has transported us back to the Victorian era. We have been busy researching Queen Victoria and discovering what life was like during this fascinating period in history. In P.E we have started developing our movement through our gymnastic focus.

On top of all this, we have also started learning a brand-new song for our upcoming Class Assembly, which will take place on 9th October. We can't wait to share it with you! It has been a fantastic start to the year, and we are so proud of how well Year 3 have embraced their new adventures.

YSGOL GYNRADD SGETI
Newsletter 16 – September 2025

Year 4
Blwyddyn 4

The children have made a fantastic start to Year 4 and have settled into the new school year brilliantly. We are so pleased with their enthusiasm and learning so far.

Topic – Invaders
We have hit the ground running with our new topic Invaders. The class have been fascinated by learning about the Romans, and we are very excited to put their knowledge into practice by planning and building our very own Roman road. This hands-on project will help bring history to life in a fun and memorable way!

Maths – Winning With Numbers
In Maths, the children have made a great start with Winning With Numbers, developing their fluency and confidence. We have now begun our first mathematical focus of the year: Place Value. The children are working hard to understand and apply these key concepts, which will support all of their future maths learning.

Literacy – No Outsiders & Recount Writing
In Literacy, we have already enjoyed exploring one of the No Outsiders books, Along Came Another, which sparked some fantastic discussions about inclusion and kindness. We have also started our first Text Type of the year: Recount. The children are learning how to reflect on experiences and write them clearly and engagingly.

Welsh – Tywydd a Fi
In Welsh, our focus has been on the weather (tywydd) and building more detailed sentences to talk about ourselves. The children have been practising expanding their sentences to add more detail, and we are really impressed with the progress they are making.

Messy Monday
One of the highlights of our week has been Messy Monday! The children have loved exploring the school grounds and taking their learning outside. They have taken part in outdoor Maths lessons, putting their problem-solving skills to the test in a practical setting, as well as health and wellbeing activities that encourage teamwork, resilience and a love of the outdoors.

Year 5
Blwyddyn 5

It has been a great start to Year 5 and we thank you for all your support getting the children settled in with the new routines. The children have all contributed to our EPIC planning. They had lots of ideas for activities and investigations, one of them being a visit.

To this end we organised a trip to Swansea Museum for a WW2 learning experience. The children observed and handled artefacts from WW2 and completed puzzles. This will feed into their learning over the rest of the term.

The children have embraced our new platform - Winning With Numbers and we are seeing their number skills improve. In addition, Year 5 had the incredible opportunity of visiting the Wales Millennium Centre to experience an operatic performance by the Welsh National Opera - what an unforgettable experience.

Year 6
Blwyddyn 6

September in Year 6 has been a month full of learning, engagement, and personal growth. The children have settled into their new routines exceptionally well. Ms Johns' class has enjoyed the opportunity to swim at the National Pool, where they have been working on their confidence and skills in the water. Meanwhile, Mr Williams' class has been making great strides in their gymnastic abilities, showing enthusiasm and determination in their practice.

In Literacy, we have been immersing ourselves in the text "Race to the Frozen North," which tells the inspiring story of Matthew Henson. The class are now two-thirds of the way through this compelling narrative. Additionally, our current topic, "The Eye of the Storm," has allowed the children to explore extreme weather phenomena. They even had the chance to create tornadoes in a bottle, which sparked lots of curiosity and discussion. Furthermore, in Mathematics, they have been working diligently on understanding place value up to 1,000,000 and rounding numbers, ensuring they strengthen their numerical skills.

In Art, the Year 6 pupils have also showcased their talents by drawing fabulous self-portraits, which are proudly displayed above the classroom door.

This month, we welcomed a CAMHS workshop to discuss the importance of maintaining good mental health. It is crucial for our students to develop a strong foundation in this area as they prepare for the challenges ahead.

As part of our extra-curricular activities, Year 6 had the wonderful opportunity to visit the Millennium Centre in Cardiff to watch a performance by the Welsh National Opera. The children thoroughly enjoyed the experience and were inspired by the talent on display.

A highlight of this month has been the pairing of our Year 6 and Reception children as buddies. It has been heart-warming to see Year 6 embrace this responsibility with kindness and care, demonstrating great empathy towards some of the youngest members of our school community.

School Council
Cyngor Ysgol

Our new School Council had a brilliant first meeting! We introduced ourselves and talked about the role of a School Councillor. We discussed our vision as a council which is to ensure every child's voice is heard and their rights are upheld.

Y6 Councillors also composed and sent a letter to our local MP Torsten Bell to invite him to our school. We look forward to welcoming him to Sketty Primary School on Friday 17th October.

In our second meeting, School Council were very happy to receive their School Council badges. Councillors reviewed the attendance poster success criteria created by last year's School Council have selected the most appropriate designs from Y3-Y6 to be to be displayed around the school shared on the school website and Dojo. The standard is very high as all pupils had worked hard to ensure their designs included all the elements of the success criteria and that their posters were the best that they could be.

Keep an eye on our blog on the school website for updates on our work!

Criw Eco

Battery Competition

Our very successful battery collection is up and running again. We are all very proud of last year's achievement of collecting 254kg of batteries- the most of any school in Swansea. The Eco Criw are keen to see if we can beat this this year and for that we need your support. Please remember to send in any used batteries to your class teacher. There are collection boxes in all classrooms and we will be running our monthly class competition with the first winners being announced next week.

Rags2Riches4Schools

We have once again signed up to the Rags2Riches4Schools recycling scheme, to help others around the world benefit from our good quality unwanted clothes and shoes as well as raising much needed funds for the school. We would be most grateful if you could help us with this challenge again and maybe start having a bit of a sort out at home in preparation. Our collection date will be 12th November and we will be collecting your bags the week leading up to that. **PLEASE DO NOT SEND ANY BAGS INTO SCHOOL UNTIL ASKED TO DO SO.**

We will send more information out nearer the time.

Thank you for your continuing support,

Mrs Palmer and The Eco Criw

Staff Training

Hyfforddiant y Staff

On our second Inset Day in September, the focus was further enhancing opportunities for outdoor learning. We were fortunate to have Education Consultant Cath Delve delivering training to all staff to help reset our focus, remove barriers and offer some tips on developing our outdoor spaces.

As you will have seen, Outdoor learning days have already started with each year group having the opportunity to explore the outdoors at least once a week. These sessions not only help consolidate and develop learning skills from class, but are also great for the well-being of pupils and staff.

Please remember to send wellies into school and ensure the children have a coat available as outdoor learning may place at any time so they need to be ready.

Remember, there is no such thing as bad weather, just inappropriate clothing!!

Visitors
Ymwelwyr

This month we had our first visit from our new School Improvement Advisor Russell Dwyer who had a great day learning about the school. He met with our Senior Leadership Team to talk about what is going well at Sketty and what our school priorities are for this year. He also spent time speaking to the children about their learning and visiting the classes. We look forward to welcoming him back to school soon for his next visit.

This year one of our school priorities is to further develop our Careers and Work Related Experience. Rachel Rimmer, the Performance Specialist for the Local Authority, visited school to meet Miss Jones and learn about our plans at Sketty for driving this forward at our school.

Director of Education Helen Morgan-Rees visited Sketty Primary this month to celebrate our achievements with Siarter Iaith and to meet our amazing staff and wonderful pupils. It was lovely to welcome her to Ysgol Sgeti. Diolch am ddod!

Croeso
Welcome

This term we have welcomed a number of new staff to Sketty Primary School.

Mrs Cheryl Wanless has joined us as a teacher in Year 2, working alongside Mrs Miller. Mrs Wanless has been teaching for 13 years and is an experienced practioner, predominantly teaching Early Years at Oakleigh House. Mrs Wanless has settled in brilliantly and is very grateful for the support of staff and the kind welcome she has received from the children, parent and carers.

Mrs Pamela Evans is working as a teaching assistant within our Year 1 team alongside Mrs Palmer, Mrs Gillett, Miss Christer, Mr Davies and Mrs Aldali. Mrs Evans has been working as a teaching assistant for a number of years, mostly in Early Years. She has loved the first month at Sketty and has enjoyed getting to know the children and looks forward to many exciting adventures as the year progresses.

Miss Susan Barguss is working alongside Mrs Dodd and Mrs Charles as an Admin Assistant in the office. Many of you will have already met Miss Barguss as she welcomes you to school from the front desk. Miss Barguss comes to us with years of experience and is already proving to be a valuable asset to our office team.

PTA

Cymdeithas Rhieni ac Athrawon

We held our AGM this month, elected our new committee and started planning some exciting things for this year.

We've got lots of fun-filled events in the pipeline, and we're starting the year in a strong position thanks to everyone's support last year. This means we can really focus on creating memorable experiences for the children and supporting the school. If you have any suggestions for how we could use PTA funds, we'd love to hear them.

I'd like to extend a huge thank you to all of our volunteers who helped at events last year – we really couldn't have done it without you.

This year, our aim is to offer bite-size jobs which volunteers can sign up for on an ad-hoc basis. It's perfect for those who want to help but don't have the time to commit fully to the PTA. Believe it or not, last year's Summer Fayre was pulled together by just three people (with one person doing most of the work!) – we'd love to spread the load more this year. Many hands really do make light work!

If you'd like to get involved or have any questions, please drop us an email at skettypta@gmail.com.

We're looking forward to another brilliant year at Sketty Primary – and I'll be ready for those emails pinging in offering help! 😉

With thanks,
Danielle, Sketty PTA Chair

Living Streets

Our Living Streets project has been continuing this month. Well done to everyone who has become more active since we started this project. The aim of the project is to create a nation where walking and wheeling is the natural choice for every day, local journeys. If the children can walk, cycle, scoot or walk and stride once a week over the month it will make a difference.

Llongyfarchiadau i Blwyddyn 6 MW who have made the most active journeys again this month. However, it is very close so da iawn pawb for being active!!

To find out more information about living streets, click on the following link https://www.livingstreets.org.uk/

Important Reminders
Atgoffa Pwysig

- School gates are open from 8.40am-9.00am. Please come to the office if you arrive after 9.00am.

- The register is taken at 8.50am.

- School Uniform is a red polo shirt and blue sweatshirt, cardigan or hoodie.

- PE kit is black leggings/joggers and white t-shirt.

- Please wear sensible shoes to school. No flip flops, crocs or sandals for health and safety reasons.

- As you know, we are a large school and accumulate a great deal of lost property over the year. Please help us by making sure all clothes, bags and equipment are labelled.

Attendance
Presenoldeb

Reception EJ	93.3%
Reception ER/SP	92.8%
Year 1 HC	95.3%
Year 1 KP/SG	92.8%
Year 2 CW/SM	94.9%
Year 2 MJ	92.7%
Year 3 AB	91.5%
Year 3 WD	95.6%
Year 4 JG	97.6%
Year 4 NT	96.8%
Year 5 SW	93.0%
Year 5 SK	94.2%
Year 6 MW	89.9%
Year 6 LJ	94.3%

This month, our whole school attendance was 93.9%.

Congratulations to Year 4 JG who had the best class attendance this month. Llongyfarchiadau pawb!

Well done also to Year 2 CW/SM who had 100% attendance for the WB 08/09/25 and Year 4 NT who had 100% attendance for the WB 22/09/25.

If your child is unwell, please remember to contact the school office to inform us. A message can be left on the answer machine.

Please do not use class dojo to explain absences as teachers don't always get the chance to check during teaching time.

Your Child's Attendance	National Guidelines
100% - 95%	Optimum chance to achieve well. Your child is taking full advantage of every learning opportunity.
94.99% - 90%	Satisfactory, although your child may have to spend time catching up with work they have missed.
Below 90%	Cause for concern: - 1. Your child may be at risk of underachieving. 2. Your child may need extra support from you to help catch up with missed work. Your child may be missing out on a broad and balanced education.
