Newsletter 24 – May 2026

Dear Parents and Carers,

As we come to the end of another busy and rewarding month, I would like to take this opportunity to thank our children, staff, governors and families for all of their hard work and continued support. It has been a month full of exciting experiences and achievements across the school.

Our children have enjoyed a fantastic range of sporting opportunities, including swimming, netball, football, and rugby. It has been wonderful to see such enthusiasm, teamwork, and determination. Although it has been disappointing that some of our sports days have had to be postponed, we look forward to rescheduling them after half term — fingers crossed for better weather!

We have also ended the month on a real high with our Cultural Diversity Day. The children thoroughly enjoyed taking part in activities inspired by cultures from around the world, celebrating diversity and learning together. Gwaith da to everyone involved — it truly was a special day.

This month, we also welcomed Estyn for our interim visit. Inspectors came to review the progress we have made against the two recommendations from our previous full inspection. We are pleased to share their findings with you, and I encourage you to read the report included in this newsletter.

Finally, if you have a moment, please do pop into the school hall to admire the wonderful mural being created by our talented artist friend, Adele. Inspired by the children's ideas, it represents "100 things to do during your time at Sketty Primary" and is already shaping up to be something very special.

As always, life at Sketty Primary is wonderfully busy — and we wouldn't have it any other way!

Cofion Cynnes
Bev Phillips
Headteacher

Nursery
Meithrin

In Dragonflies Nursery this month the children in both morning and afternoon classes have been busy developing their team working skills whilst practising for their Sports Day. They have also been learning about the importance of exercise in order to have a healthy brain as well as a healthy body. Whilst practising we have also been discussing our "big question", which has been the theme of discussion throughout the school - How should we treat others when we win or lose? We cannot wait to celebrate our Sports Day on Thursday 4th June. Fingers crossed for fine weather!

Morning Nursery have been very busy with their project, Market Stall, which is taking place in Swansea City Centre on Friday 19th June. Parents of morning Nursery, please remember to save the date. A great big thank you for completing our surveys for the children to find out what are the most popular things people would like to buy. We now have five products that we need to source. We have started on the first product, which has involved the children printing using clay and natural materials. Our next product will involve recycling/reusing……watch this space!

On Tuesday 12th May the children took part in the Urdd Pledge, which involved celebrating peace. We read a story called, All are Welcome, by Alexandra Penfold and Suzanne Kaufman, and remembered our No Outsiders Message - all different, all welcome! We also talked about the importance of celebrating our home language, whatever it may be.

Reception

Derbyn

What a busy and exciting month it has been in Reception! The children have been working incredibly hard and have enjoyed lots of wonderful learning experiences. During Drawing Club, we have been focusing on beaches and oceans and using the story Saving Tally to help us learn about the importance of keeping our oceans and beaches clean. The children had fantastic discussions about caring for our environment and created some brilliant writing and drawings inspired by the story.

We also enjoyed reading our No Outsiders book 'Hello Hello' which helped us explore and celebrate the importance of our differences and how everyone is unique and special. This linked perfectly with our Cultural Diversity Day, where the children came to school wearing traditional clothing from their cultures and enjoyed learning about cultures and traditions from around the world. It was lovely to see everyone celebrating and sharing what makes us all special.

This month we also celebrated our whole-school story Make It All Go Away. After reading the story, the children reflected on their own emotions and explored things that help them feel calm through their senses, such as comforting sounds, smells, tastes, textures and places. We loved hearing all of their thoughtful ideas and discussing different ways we can look after our wellbeing.

Unfortunately, Sports Day had to be postponed due to the weather, but that hasn't stopped us from practising! The children have been working hard on their races and activities and are already showing fantastic determination and teamwork. We know all of their hard work will make them more than ready for our rearranged Sports Day on Tuesday 16th June.

We have also been busy beginning our planning for our exciting upcoming Enterprise project, which the children have decided will be beach-themed! We are very excited to get started and can't wait to share more details with you. Please keep an eye on Class Dojo for further updates and information.

Thank you, as always, for your continued support — we've had another brilliant month full of learning, creativity and fun!

Year 1
Blwyddyn 1

May has been a wonderfully busy month in Year 1. We can hardly believe that Summer 1 is nearly over because the children have packed so much into the last few weeks.

In Maths, we have been exploring odd and even numbers and spotting them in patterns, games and everyday objects around the classroom. The children have also been learning to tell the time using both analogue and digital clocks. They have enjoyed practising o'clock and half-past and are becoming much more confident at reading the time independently.

Our Literacy work has been inspired by the much-loved story Where the Wild Things Are. The children have been writing their own compound sentences about Max's adventure, using joining words to make their writing more detailed and exciting. They have also retold the story, bringing the characters to life with brilliant expression. In provision, they have loved creating their own wild thing masks and acting out their own wild rumpus. Music has been full of energy too, as the children have been learning and singing mini-beast songs. This linked beautifully with our science learning, where we explored different habitats and talked about where animals live and why. The children have shown great curiosity when comparing woodland, ocean, desert and rainforest environments.

Cultural Diversity Day was a real highlight this month. We loved learning about different cultures and countries, especially Spain, Portugal and Algeria. The children enjoyed exploring traditions, music and celebrations from around the world, and it was wonderful to see how respectful and enthusiastic they were.

As part of our No Outsiders work, we read Going to the Volcano. We talked about how everyone is welcome and how our differences make us special. The children created their own volcano pictures with characters from the story.

In provision, the children have been incredibly creative. They have enjoyed making their own Tric a Chlic books, designing top trumps cards about mini beasts, creating wild thing masks and taking part in lots of imaginative play.

It has been a fantastic month of learning. We are so proud of everything the children have achieved in Summer 1, and we are already looking forward to all the exciting things that Summer 2 will bring.

Year 2
Blwyddyn 2

Year 2 have had another very busy and exciting month! We have continued our topic, The Enchanted Wood, where the children have explored the fascinating world of woodland animals and their habitats. They have shown great curiosity and enthusiasm while learning about the different creatures found in UK woodlands, including hedgehogs and rabbits.

A particular highlight this month was celebrating Hedgehog Awareness Week. The children thoroughly enjoyed learning all about hedgehogs and the important role they play in our environment. As part of their work, they created detailed fact files and designed informative posters on j2e5 to explain how we can help protect hedgehogs. We now have a class full of hedgehog experts!

In Literacy, we have enjoyed reading our class novel, The Wood Where Magic Grows, as well as the No Outsiders book All Are Welcome, which inspired thoughtful discussions about diversity and inclusivity. We were also very lucky to meet author Helen Docherty, who visited us to read her new book, Make It All Go Away. The children were inspired to use their senses and onomatopoeia to create their own poems.

In Maths, we have been learning to read and write number words and match them to numerals. We have also explored measurement, including length, capacity and mass, using centimetres, metres, millilitres and grams. The children particularly enjoyed taking part in measurement hunts and measuring objects around the school.

Year 3
Blwyddyn 3

May in Year 3 has been a busy and exciting month as we have begun exploring our new topic, Wonderful Wetlands. The children have shown great enthusiasm as they investigated different wetland environments, learning how to map and categorise their key features while exploring the fascinating plants and minibeasts that live there. As part of this topic, they looked closely at animal adaptations, particularly how different birds have adapted to survive and thrive in wetland habitats, discovering how features such as beaks, feet and feathers help them find food and live successfully.

In Maths, we have continued to develop our understanding of multiplication and division, using arrays to solve problems and build confidence with these key skills. In Literacy, the children have been working hard to create their own stories inspired by The Impossible Bookshop, focusing on detailed character and setting descriptions using exciting adjectives. They have also been learning to include speech and experiment with a variety of speaker patterns to bring their stories to life. Alongside this, we have been preparing for Sports Day, practising teamwork and developing our competitive spirit, which we are looking forward to putting into action. To round off the month, we enjoyed a wonderful Cultural Day alongside Year 1 and Year 2, learning about Algeria, Portugal and Spain and exploring different traditions in a fun and engaging way. It has been a fantastic month, and we are very proud of all the children's hard work and enthusiasm!

Newsletter 24 – May 2026

During May, we also explored the story Make It All Go Away by Helen Docherty and enjoyed an amazing visit to the Immersive room at UWTSD to see the story come alive. We linked this to our science learning about the five senses and the children carried out simple investigations and collected data, which they organised into graphs and tables, showing great curiosity while developing their skills in observing, recording and analysing information.

Year 4
Blwyddyn 4

This month, Year 4 have continued their learning about conservation as part of our Wild Isles topic. Recently, we have begun to focus more closely on conservation in the Gower, exploring the importance of protecting our local environment and wildlife.

Mr Tucker's class have had a fantastic time during their swimming lessons and have really enjoyed developing their confidence in the water. Mrs Griffiths' and Mr Cadmore's classes are excited to begin their swimming sessions when we return after half term.

In literacy, we have been extremely busy. We have completed and published our discussion texts, debating whether Sketty Primary School should cut down the woodland to build a new classroom. Alongside this, we have been exploring our whole-school book, Make It All Go Away. This has given us the opportunity to reflect on emotions and consider how people can sometimes feel overwhelmed, helping us to better understand our own feelings. In maths, we have started developing our understanding of time and are looking forward to continuing and extending this learning after half term.

We have also been very excited about Sports Day and have been practising in preparation. We look forward to welcoming friends and family to support us on 8th June.

Finally, we have been thoroughly enjoying our new class novel, The Last Polar Bear by Hannah Gold, which has captured our imaginations and linked beautifully to our wider learning.

Year 5
Blwyddyn 5

Although the rain led to the postponement of our Sports' Day, it has certainly not dampened the enthusiasm of Year 5. We were delighted to hold a concert in collaboration with the West Glamorgan Music Service, where the children performed on their P-Bars. They were absolutely amazing.

In Maths, we have been exploring shape and angles, with the children becoming increasingly adept at measuring angles using protractors. In Literacy, we are working on recount writing, building towards producing a newspaper report. In Science, the children created miniature gardens and have been investigating seed dispersal and had fun dropping their 'helicopters' from the top of the stairwell. We are also busy writing our own song and creating artwork inspired by Keith Haring and Banksy. As part of this topic, the children took part in a lively debate—Banksy: vandal or artist?—where they presented a range of well-reasoned arguments on both sides. In Welsh, we have been researching beaches – Y traeth – and using 'mae'n well da fi' to say which one we prefer, in preparation for a beach visit before the end of term. We have also been practising for our upcoming performance of songs from Matilda in the Grand Theatre. It will definitely be a concert worth seeing.

Dates to remember:
Friday June 12th – Primary Partners 6:30 start
Monday June 15th – Sports' Day 1:45 start

Year 6

Blwyddyn 6

This month has been filled with exciting learning opportunities. Sports Day Fun was a highlight – the weather was kind and year 6 displayed their athletic skills and sportsmanship. The day was not only about competition but also about teamwork and community spirit, reinforcing the values we cherish at Sketty Primary. Parents and families came out in full support – thank you all!

In addition to sports, our students have continued to rehearse for their performance at the Taliesin Arts Centre. This event is a fantastic opportunity for them to express their creativity and build confidence in performing arts. Through dance, they learn the importance of collaboration and self-expression, skills that are invaluable both in and out of the classroom. We are looking forward to seeing our students shine on stage!

Moreover, our Year 6 students have been engaging in meaningful discussions around ethical citizenship, focusing on topics such as fast fashion and the waste hierarchy pyramid. These conversations are crucial as they align with the Welsh Government's emphasis on sustainability. By exploring these themes, students are encouraged to think critically about their impact on the environment and their role as responsible citizens.

This month, our Year 6 students have also been diving into geometry, where they explored angles and circle patterns. In Science, students have been learning about adaptation and evolution, which are vital for understanding the natural world. They have also used microscopes to investigate the properties of a range of textiles.

School Council
Cyngor Ysgol

This half term School Council have been continuing to monitor school dinners and listening to pupil feedback after their meeting with our School Cook Becky and Anne-Marie and Glen from Swansea Council Catering Services. Councillors gave positive feedback to Becky and the kitchen staff for all their hard work with the changes they have made after listening to pupils' opinions about school dinners.

School Council have also been preparing for our Salad Bar Promotion on Wednesday 3rd June. They have been designing posters and encouraging pupils to attend the event so that they have the opportunity try different salad options. We hope this promotion will be as successful as last year's fruit tasting event and look forward to sharing pupils' feedback about their preferred salad choices with Becky, Anne-Marie and Glen so they can continue to provide more variety of salad options on the salad bar.

Eco Crew
Criw Eco

Congratulations to Y4JG who won the May battery competition. They collected an amazing 600 batteries- great effort Year 4.

Not long to go until the final count of batteries for this academic year. Please keep collecting and send them into school.

It was great to meet Oliver Esposito earlier this month. Oliver is the newly appointed Eco School Education Officer. He was very impressed in everything we have been doing at Sketty over the last 18 months - the fact that so much is embedded and the whole school is committed to our awareness days, initiatives and Eco projects. He will be back before the end of the year to review our Platinum Award, talk to some of the Criw and discuss the amazing work Year 5 have undertaken to develop our orchard area and the school's biodiversity.

It's time to have a rummage through those drawers and wardrobes again as we have another collection of used clothes on Thursday 4th June. More details to follow - PLEASE DO NOT SEND BAGS IN UNTIL THEN.

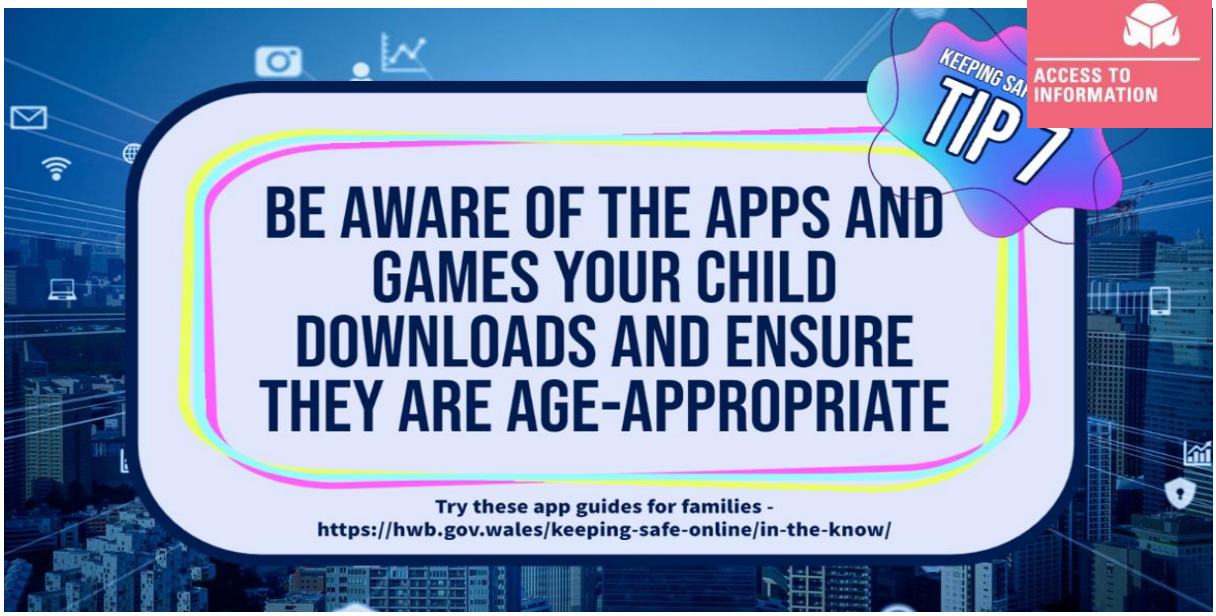

Mrs Palmer and The Eco Criw

Big Question
Cwestiwn Mawr

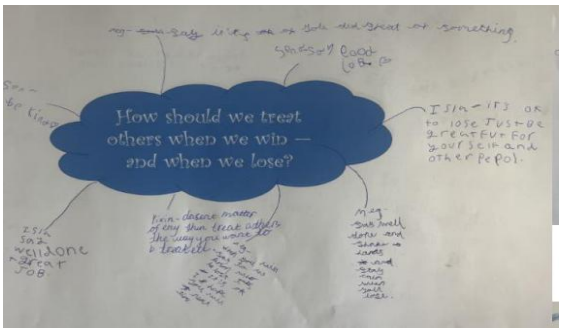

This month we shared our latest Big Question where the children respond to an important philosophical question, giving amazing, thoughtful responses.

12 RESPECT FOR CHILDREN'S VIEWS

I think competition is a good thing because it encourages you to try harder. It gives you the opportunity to lose and a sense of being determined. I believe I am slightly competitive as when I am in a race I hope to win. When I do win I feel embarrassed as I don't want to look as if I'm showing off. If I lose, I feel slightly disappointed but it makes me determined to try again. If I win I would never brag or be rude. I'd always congratulate someone who won although it would make me a bit sad. I'd never want to be a sore loser and I'd make sure to be kind to everyone, including the winners. We should all have good sportsmanship and be grateful and gracious.
Every time we win and lose, it gives us all a different feeling. For me it makes me feel proud or disappointed and determined. We should all be kind and respectful towards each other no matter if we win or lose.
Clara

How should we treat others when we win — and when we lose?

Even if we don't win, we should still say well done because everyone tried their best.

Ruby - "You can say 'It's okay, you can try again and you can share my medal if I win a race, we can be a team'".

Henry - "You say kind words to them like 'good game' or you shake hands to say 'well done'".

Lucy - "Try again because you could win something different"

Mr Lancaster – Governor

Competition is very healthy as it challenges us to grow and brings out the best in people. When we win, we should stay humble, celebrate with respect, and recognise the effort of everyone involved rather than boasting or putting others down. Winning is a chance to show gratitude and encourage those around us. When we lose, we should accept it with dignity, learn from the experience, and congratulate those who performed better. Whether we win or lose, and we will encounter many examples of both as we compete, treating others with kindness, respect, and good sportsmanship shows true character.

Blwyddyn 4- Y4NT:
When someone wins, we should say Well done-Molly
You shouldn't be sad or angry with them- Rhodri
Don't lash out and enjoy the game.
Don't be a sad loser and don't be a sore winner- Grace
As a team if you lose, use your feelings to motivate you to improve.
Treat people the way you want to be treated- Oliver P
Give a handshake or a hug to say well done and good game- Pheobe

Netball team

Tim Pel-rhwyd

On Wednesday 5th May, the Year 6 netball team took part in the Urdd Netball tournament. They played against four very strong team within our heat, starting strongly with a 10-0 win. They lost the next two matches but drew their final game in the heat.

The team all played really well and in true Sketty spirit, they represented the school amazingly, showed great sportsmanship and stayed to watch their fellow opponents in the final. Throughout the tournament they demonstrated good teamwork, great manners and made their teachers proud by being the best they could be.

Diolch yn fawr to Miss Jones and Mrs Miller who took the children to the event and for their hard work training the team this year.

Foster Wales
Maethru Cymru

We are delighted to share that our school is beginning an exciting new journey as a Foster Wales Champion School. This partnership reflects our commitment to ensuring that every child feels supported, valued, and given the best possible opportunities.

Working closely with Foster Wales, as well as other local schools, we'll be helping to raise awareness, strengthen understanding, and celebrate the importance of fostering within our community.

You may have already spotted our two brand-new Foster Wales banners proudly displayed on our school gates, a bright reminder of the journey we are beginning and the values we stand for.

We are truly excited for what lies ahead and look forward to championing this partnership together.

Visitors
Ymweliad

This month, we were delighted to welcome colleagues from Glyncollen Primary School to Ysgol Sgeti. Their visit provided a valuable opportunity to share our ongoing Welsh language journey, including how we are working to develop confidence, consistency and enthusiasm for Cymraeg across the school.

We also showcased our approaches to supporting children with English as an Additional Language, highlighting the inclusive strategies we use to ensure all learners feel supported, valued and able to thrive. It was a real pleasure to engage in professional dialogue, exchange ideas and reflect on our practice together.

We are proud of the progress we are making and grateful for opportunities like this to collaborate with others—strengthening practice not only within our own school, but across our wider learning community.

ESTYN - Ymweliad Interim

As you know, we welcomed an Estyn Interim Visit on 29 April, during which a team of three HMI Inspectors reviewed the progress we have made against the two recommendations identified in our previous full inspection.

R1 – Refine self- evaluation processes to ensure that leaders consistently identify the impact of improvement strategies on pupils' learning and progress

R2 – Improve pupils' Welsh language skills

We are very proud of the progress made and are pleased to share their findings with you. Llongyfarchiadau i bawb yn Ysgol Sgeti!!

Congratulations

Llongyfarchiadau

Llongyfarchiadau i Mrs Griffiths who was awarded the Tlws Tawe award for Developing Welsh language at Ysgol Sgeti. We are very proud of you and the whole school community for the enthusiasm and commitment to gymraeg. Da iawn pawb!! Mrs Griffiths is pictured receiving her award from Nerys Jones (Head of Welsh in Education) and Nerine Griffiths (Welsh officer).

We are very proud to share our success at the Urdd Eisteddfod 2026 West Glamorgan art and creative competitions. Da iawn to our four pupils who achieved places in the top three, including an excellent 1st place and three strong 2nd places.

They attended a special awards ceremony at Tan Y Lan Primary School which was a lovely occasion to celebrate their hard work. The children represented the school brilliantly and showed real pride in their achievements, acting as fantastic Welsh ambassadors.

Living Streets

Our Living Streets project has been continuing this month. The aim of the project is to create a nation where walking and wheeling is the natural choice for every day, local journeys. If the children can walk, cycle, scoot or walk and stride once a week it will make a difference.

Llongyfarchiadau eto i Blwyddyn 6 LJ who continue to make the most active journeys again this month.

Important Reminders
Atgoffa Pwysig

- School gates are open from 8.40am-9.00am. Please come to the office if you arrive after 9.00am.

- The register is taken at 8.50am.

- School Uniform is a red polo shirt and blue sweatshirt, cardigan or hoodie.

- PE kit is black leggings/joggers and white t-shirt.

- Please wear sensible shoes to school. No flip flops, crocs or sandals for health and safety reasons.

- As you know, we are a large school and accumulate a great deal of lost property over the year. Please help us by making sure all clothes, bags and equipment are labelled.

Attendance
Presenoldeb

Reception EJ	90.2%
Reception SP/SM	83.9%
Year 1 HC	91.5%
Year 1 KP/SG	92.3%
Year 2 CW	93.4%
Year 2 MJ	85.5%
Year 3 AB	85.8%
Year 3 WD	90.8%
Year 4 JG	93.7%
Year 4 NT	95.4%
Year 5 SW	91.0%
Year 5 SK	89.2%
Year 6 MW	93.7%
Year 6 LJ	91.4%

This month, our whole school attendance was 90.6% which is well below expected levels and a big drop on last month.

Congratulations to Year 4 NT who had the best class attendance again this month.

Your Child's Attendance	National Guidelines
100% - 95%	Optimum chance to achieve well. Your child is taking full advantage of every learning opportunity.
94.99% - 90%	Satisfactory, although your child may have to spend time catching up with work they have missed.
Below 90%	Cause for concern: - 1. Your child may be at risk of underachieving. 2. Your child may need extra support from you to help catch up with missed work. Your child may be missing out on a broad and balanced education.

If your child is unwell, please remember to contact the school office to inform us. A message can be left on the answer machine.

Please do not use class dojo to explain absences as teachers don't always get the chance to check during teaching time.
