

SKETTY PRIMARY SCHOOL
YSGOL GYNRADD SGETI
Newsletter 13 – May 2025

Dear Parents/Carers,

May has been short on days but full of action and excitement for children across the school with rehearsals for Primary Partners, Taliesin Dance Project and Enterprise events to name just a few.

It has been a pleasure to welcome so many of you to our Sports Days over the last few weeks and to see the children so enthusiastic about taking part and having fun with their friends. What a fantastic way to end our half term!! Sadly, we had to postpone Year 2 Sports Day but this has been rescheduled for Monday 2nd June.

It has been lovely to welcome Mrs Phillips back to school this week, just in time for a busy June and July with trips, visitors, sporting events, shows and assemblies all booked in. Please keep an eye on the calendar at the end of the Newsletter, school story and the website for everything coming up over the rest of the year.

Wishing you all a fabulous half term. Hopefully the sun will continue to shine next week. We look forward to seeing the children back in school on Monday 2nd June.

Kind Regards

Mrs Bev Phillips
Headteacher

Mr Simon Lloyd-Jones
Deputy Head

Nursery

Meithrin

This month we launched our Summer term project in morning Nursery - Market Stall. The children will be running their very own market stall in the city centre, along with children from schools around the city. The children are being true entrepreneurs and are taking full ownership of every stage of the project. We began by looking at photos of Swansea Market and making a list of stalls. We then created a survey to send home to our customers, to ask them to choose things they would like to buy. We don't want to spoil the surprise, but we are now in the process of designing special items to sell. **Please save the date, June 20th, to come and support us.**

Our spotlight in morning Nursery this month has been “planning in the moment”, allowing the children’s interests to take the lead in the learning. What started off as a basket of folded sheets and rolled up sleeping bags led to setting up campsites, campfires and toasting marshmallows. We even had some children making their own books to read around the campfire. We also had two tiny, mysterious doors that appeared in our classroom, to inspire curiosity and exploration. The children have thought of so many objects to resemble a magic key and have enjoyed writing messages and drawing pictures to whatever or whoever comes through the doors.

Both morning and afternoon Nursery classes took part in their Sports Day on the field, and what a fabulous event it was! The sun was shining beautifully for the children as they enjoyed participating in a variety of races and activities. A great big thank you to everyone who came to cheer the children along.

Reception

Derbyn

To begin our Summer Term Topic 'Sun, Sea and Sandy Toes', the children created a group Story Map of 'Saving Tally' and then retold it in their own words. This developed into the children making up their own stories, focussing on a 'Beginning, Middle and End' and drawing their own story map. Their enthusiasm to talk through their own stories, using verbs, adjectives and time connectives was amazing!

We have had a big Spring Clean in our Outdoor Area, enhancing our 'Loose Parts' Provision and the children have loved using their creativity and collaboration skills to develop their learning outside. They have especially enjoyed using the tarpaulins, ropes and pegs to build tents as well as using the loose parts to build vehicles, houses and anything else that may have fired their imaginations!

For Science and Technology, the children have been investigating which materials sink and float and have loved using a range of materials to design and build something to float on water. In Numeracy, the children have been learning about Estimation. They have been estimating the number of marbles in a jar and then counting to check how close they were to the correct number.

To finish off the month, we had our Reception Sports Day. We have been practising every week and the children have enjoyed learning many new skills which they were so pleased to share with you!

Newsletter 13 – May 2025

Year 1

Blwyddyn 1

What a fantastic half term it has been for Year 1!

We kicked things off with our exciting *EPIC planning* to launch our new summer topic: 'Wild Things'. The children were brimming with brilliant ideas about what they wanted to learn, from exploring animals and their habitats to investigating all things wild and wonderful. To spark our creativity, we took to the school woodland where the children created stunning wildlife portraits using natural materials – we were so impressed with their imagination and attention to detail!

In addition to our topic work, we joined forces with Years 2 and 3 for an unforgettable Cultural Diversity Week. The children rotated between classes and enjoyed learning all about Australia, Italy, and the Netherlands. Highlights included creating vibrant Aboriginal Australian artwork, crafting colourful Venetian-style masks, and designing intricate Dutch windmills and traditional plates. It was a brilliant week of creativity, discovery, and celebration of cultures from around the world.

To top it all off, the sun shone brightly for our much-anticipated Sports Day! The children gave it their all in every event, showing fantastic sportsmanship and team spirit. It was a joy to see everyone taking part with such enthusiasm – they truly were all winners in our eyes.

Year 1 have worked incredibly hard this half term and shown just how amazing they are. We're so proud of each and every one of them. They've truly been the best they can be!

Article 29

SKETTY PRIMARY SCHOOL YSGOL GYNRADD SGETI *Newsletter 13 – May 2025*

Year 2

Blwyddyn 2

As always, Year 2 have had a busy month! We have been enjoying getting stuck into our new topic 'The Enchanted Wood'. The children have been exploring the wonderful world of woodland animals and their habitats. They have shown great curiosity and enthusiasm as they learned about the different creatures that live in UK woodlands, from hedgehogs and rabbits to owls and foxes. It has been wonderful to see them so passionate about caring for wildlife and protecting natural habitats.

The children have enjoyed learning outdoors and created habitats for various woodland animals. The children have particularly enjoyed learning about hedgehogs and the role they play in our environment. We celebrated 'Hedgehog Awareness Week'. As part of their learning, they created detailed fact files all about hedgehogs. They also produced posters on j2e5, explaining how we can help protect hedgehogs, something they are very passionate about! The children are now hedgehog experts. We have enjoyed reading our class novel 'The Hodgehog'.

We read out 'No Outsiders' book 'What the jackdaw saw'. We talked about different ways of communicating. The children have enjoyed learning sign language.

In Maths, we have been learning how to read and write number words, and practicing matching number words to numeral. We have also been learning about measurement, focusing on centimetres and metres. The children have enjoyed going on measurement hunts and measuring objects around the school.

SKETTY PRIMARY SCHOOL YSGOL GYNRADD SGETI *Newsletter 13 – May 2025*

Year 3

Blwyddyn 3

May has been a month full of exciting opportunities and hands-on learning for Year 3.

One of our highlights was a special visit to Wagamama, where the children had the chance to explore Asian cuisine. This delicious adventure complemented our ongoing Chinese lessons, giving pupils a deeper appreciation for different cultures through both language and food.

We also embarked on a fantastic trip to the Llanelli Wetlands Centre to launch our new topic: Wonderful Wetlands. The children loved exploring the beautiful grounds, identifying a variety of animals that make their homes in wetland habitats. A particular favourite was pond dipping, where many discovered fascinating creatures hiding beneath the surface.

In Maths, we've been building on our understanding of multiplication and division, using arrays, grouping, and sharing to solve problems. We've also explored the properties of 3D shapes, learning to identify edges, vertices, and faces through hands-on activities.

In Literacy, Year 3 have been developing their critical thinking skills by diving into discursive texts. They've been learning how to consider and present two sides of an argument, an important step in becoming balanced writers.

Our 'No Outsiders' theme for this term has focused on the idea of belonging. Through stories and discussions, the children have explored what it means to feel included, how to celebrate differences, and the importance of welcoming everyone into our school community.

Year 4

Blwyddyn 4

What a fantastic term it has been for our Year 4 children! We've enjoyed a variety of enriching learning experiences that have brought our topics to life and helped us build new skills in exciting, real-world settings.

One of the highlights of the term was our wonderful trip to the National Botanic Garden of Wales. The children were captivated by the fascinating Bird of Prey show, where they had the chance to see these incredible creatures up close and learn all about their habits and habitats. The pupils also explored the gardens, discovering a wide range of plants and flowers that attract and support wildlife. It was a brilliant way to deepen their understanding of biodiversity and the importance of looking after our natural environment.

We also ventured into Swansea city centre for our market research trip in preparation for our upcoming enterprise project. The children showed great confidence when speaking to members of the public and local stall holders, asking thoughtful questions about best-selling products and customer preferences. They gathered a wide range of information and demonstrated excellent communication and teamwork skills throughout the day.

We are incredibly proud of how engaged, enthusiastic, and respectful the children were on both trips, and we're very excited to see how they use what they've learned as we move forward with our enterprise activities in the coming weeks.

Year 5

Blwyddyn 5

Our Primary Partners sessions have reached a whole new level this month. The children have shown great dedication and creativity as they practised and choreographed dances to songs from the musical Hairspray. Their enthusiasm and teamwork have been truly impressive!

This month we have begun our exciting clay project, creating vibrant coral rock pools, which are now ready for the kiln. We can't wait to glaze them and see how they transform once they're finished!

Year 5 played a key role in planning and running Sports Day. The children created persuasive presentations to encourage others to choose their games, and their efforts paid off! The day itself was a brilliant success. Everyone took part in track, field, and game events with great energy and determination time to reflect on the question: "Should we always try our best, even if we may not win?" – a thoughtful discussion inspired by the spirit of Sports Day.

Science has taken centre stage this month through our fascinating topic, Blue Planet. We started the month with an exciting visit from the planetarium, where we learned how stars have been used throughout history to tell stories and guide people across land and sea. Building on our environmental focus, we have been researching and experimenting with different ways to clean up oil spill disasters, inspired by the 1996 Great Pembroke Oil Spill. The children demonstrated brilliant scientific thinking and teamwork as they tested methods to separate oil from water, discussing the real-world impact these disasters have on marine ecosystems. For Literacy, we've been studying the features of explanation texts, preparing to write our own based on the water cycle.

Article 29

SKETTY PRIMARY SCHOOL YSGOL GYNRADD SGETI Newsletter 13 – May 2025

Year 6

Blwyddyn 6

To start our month, we had a wonderful visit from the planetarium where the children had the opportunity to explore the night sky. This experience truly sparked their imagination and curiosity about the universe, and it has set the tone for our upcoming projects.

We also began reading our new class novel, *Orphans of the Tide* by Struan Murray. The book is a compelling tale of mystery and adventure, and already the children are captivated by its intriguing plot. It has encouraged some vibrant discussions and critical thinking in the classroom.

As part of our topic on 'Change', we examined various artefacts and pictures which facilitated questions about the world around us. Each child planned their own line of enquiry focusing on food, technology, and clothing. This approach led to discussions about what our clothes are made from and where they originate. We have delved into the concept of fast fashion and what it means to make ethical, informed choices. Additionally, we explored how farming practices have evolved and discussed the journey of our food from farm to table.

In the spirit of creativity, our preparations for the dance performance at The Taliesin Theatre have continued. Inspired by the work of Maggie Aderin-Pocock and her question, "Are we all made from stardust?", we have crafted backgrounds for our mixed media art project to create Milky Way-inspired displays.

I am pleased to share that Sports Day was a resounding success! The sun was shining, and it was truly heart-warming to witness the enthusiasm, effort, and exemplary sportsmanship displayed by our Year 6 pupils.

School Council

Cyngor Ysgol

This month, School Council have been continuing to look at school dinners and gave positive feedback from their peers to kitchen staff about some of the changes that have been made.

Councillors returned to their classes with School Council's success criteria for Y3, Y4, Y5 and Y6 pupils to create their attendance posters.

The attendance posters will be displayed in classrooms and around the school building, also on the school website and Dojo.

The Council hope that these posters will encourage pupils to come to school on time to support their mental health and well-being and allow them to access their education to their full potential and 'Be the Best that they can be.'

Gwasanaeth arbennig!

This month we said a big CROESO Mr Urdd to Ysgol Sgeti.

Mr Urdd enjoyed our fantastic singing and helped to give out the Welsh Speaker of the Week awards. Nia, our Urdd representative for West Glamorgan, told us about all the exciting activities that children can get involved in with the Urdd organisation, and also the huge Eisteddfod which will be held in Margam during half term. Cyffrous iawn!

Diolch Nia a Mr Urdd

Big Question

Cwestiwn Mawr

This month we shared our second Big Question where all members of the school community respond to an important philosophical question. We continue to have amazing responses from the children and have been so pleased to receive responses from parents and carers to further our discussions.

Mr. Lloyd Jones – Deputy Head

Yes, it is really important to always try your best at everything. Winning is not the main goal, and you can't always be a winner. For me, continuing to make progress and learning from your mistakes is much more important. Some of the greatest successes in life come after overcoming obstacles.

I believe you should always keep trying as Michael Jordan did and our school motto says we should always, "Be the best we should be." **Jack (Year 6)**

If you keep trying you will get better. You should not quit. If you quit, you will never win.

It's not always about beating other people – it's about getting better

If you are enjoying it, you are winning. Enjoy the experience and be proud of yourself

I like to make people happy. My Mum is coming to see me in Sports Day. She will be happy. I do not have to win. **Lucas (Reception)**

Tennis at Olchfa School

Chwarae Tennis yn Ysgol Sgeti

Pupils from Years 3, 4, 5 and 6 had a fantastic opportunity this month to take part in an exciting Tennis Festival hosted at Olchfa School. The event was a brilliant chance for our children to develop their tennis skills, learn new techniques, and enjoy friendly competition with other

schools in the area.

Throughout the day, the pupils showed excellent sportsmanship, teamwork, and enthusiasm, proudly representing Sketty Primary. It was wonderful to see their confidence grow as they took part in a range of skill-based activities and mini-matches. The children demonstrated great perseverance, resilience, and a positive attitude on and off the court.

We are incredibly proud of all the pupils who took part. They were fantastic ambassadors for our school, showing

respect, kindness, and determination throughout the festival. A big thank you to Olchfa School for hosting such a well-organised and enjoyable event—and well done to all our budding tennis stars!

Living Streets

Our Living Streets project has been continuing this month. Well done to everyone who has become more active since we started this project. The aim of the project is to create a nation where walking and wheeling is the natural choice for every day, local journeys. If the children can walk, cycle, scoot or walk and stride once a week over the month it will make a difference.

Llongyfarchiadau i Blwyddyn 5MW who have made the most active journeys again this month. However, it is very close so da iawn pawb for being active!!

Living Streets

May has been another very successful month. We are delighted that we were the most active school in Swansea again for the month of May and also in the top 10 of all the schools in Wales. Da iawn pawb!!

Important Reminders

Atgoffa Pwysig

- School gates are open from 8.40am-9.00am. School starts at 8.50am.
- School Uniform is a red polo shirt and blue sweatshirt, cardigan or hoodie.
- PE kit is black leggings/joggers and white t-shirt.
- Please wear sensible shoes to school. No flip flops, crocs or sandals for health and safety reasons.
- As you know, we are a large school and accumulate a great deal of lost property over the year. Please help us by making sure all clothes, bags and equipment are labelled.

Attendance

Presenoldeb

Reception AB	93.0%
Reception KE/SLJ	87.0%
Year 1 KP/SP	96.9%
Year 1 EJ	92.1%
Year 2 MJ	97.0%
Year 2 SH	91.2%
Year 3 NT	97.9%
Year 3 JG	93.4%
Year 4 SK	95.7%
Year 4 LO'M/SM	94.6%
Year 5 WD	93.7%
Year 5 MW	96.7%
Year 6 SW	91.2%
Year 6 LJ	91.1%

This month, our whole school attendance was 93.6% which is down on last month but in line with our attendance over this academic year.

If you your child is unwell, please remember to contact the school office to inform us.

**Congratulations to
Year 3 NT who had the best
class attendance this month.**

Llongyfarchiadau pawb!

Your Child's Attendance	National Guidelines
100% - 95%	Optimum chance to achieve well. Your child is taking full advantage of every learning opportunity.
94.99% - 90%	Satisfactory, although your child may have to spend time catching up with work they have missed.
Below 90%	Cause for concern: - 1. Your child may be at risk of underachieving. 2. Your child may need extra support from you to help catch up with missed work. Your child may be missing out on a broad and balanced education.
