

SKETTY PRIMARY SCHOOL
YSGOL GYNRADD SGETI
Newsletter 14 – June 2025

Dear Parents/Carers,

As we come to the end of a wonderfully busy and successful June, I want to take a moment to congratulate all our children for their incredible efforts, achievements, and enthusiasm throughout the month. Your energy and commitment to learning have truly shone through in every classroom, corridor, and playground.

A heartfelt thank you to all our dedicated staff for their unwavering hard work and commitment. Your passion, creativity, and care make our school a vibrant and inspiring place to learn and grow.

Highlight of the Month: Siarter Iaith Aur Award!

We are thrilled to announce that our school has achieved the Siarter Iaith Aur (Gold) Award! This is a fantastic recognition of our commitment to promoting the Welsh language and culture across the school. Da iawn pawb – we are so proud of this collective achievement!

Let's carry this momentum into the final weeks of term and continue to celebrate all the wonderful things that make our school community so special.

And finally - today is a very special day as the children find out who their teachers will be from September, there's an air of anticipation about the place as we welcome new children and staff. Here's to a fabulous transition morning!

Kind regards
Mrs Bev Phillips
Head Teacher

Nursery

Meithrin

Nursery have been super busy being enterprising and creative dragons and leading their project, Dragonflies Market Stall. Following their market research, the children concluded that keyrings, sweets, lollies, books and toys were the most popular items for the stall. Hence, the children set to work and created their own pictures, which were then made into keyrings. The next step was to write letters to our families asking them to help us collect “near new” books and toys to sell as part of being an Eco School, and encouraging everyone to reuse and recycle. We had some fabulous donations, so a great big thank you to everyone who supported this. The children loved practising their counting skills to make sweets and lolly cones. Every child helped to create a sign for the stall, along with posters to display the cost of the items.

The day finally arrived and the children got first-hand experience of being a shopkeeper on their very own stall and were able to sell to the public. They learnt a song to sing to attract customers to their stall. We even had some tambourines to add to the sing along. The weeks of planning and preparation certainly paid off and we made a profit of £263.96!!! Alan Sugar look out, Dragonflies

Nursery are coming to get you! The children are now in discussion as to how to spend their hard-earned money.

Reception

Derbyn

What a glorious month June has been – full of fun and sunshine! The children have been learning all about how to keep safe at the beach in preparation for the wonderful beach trip they experienced last Friday morning. They enjoyed looking at pictures of the beach and identifying what they needed to do to keep out of danger. We focused on extending the children's answers, using the word 'because' to explain their ideas in detail. After reading 'Somebody Swallowed Stanley', the children made some wonderful posters about not littering on the beach. They have also loved writing recounts of their trip to Caswell, using time connectives to order the events. Furthering our learning, the children have loved creating fact files about a chosen Sea Creature using J2e. They were brilliant at changing the font, text and adding images.

For Refugee Week the children were extremely sensitive and empathetic when having discussions about some of the emotions they would have surrounding this. We enjoyed watching a small section of Paddington Bear arriving in London and discussing what to take in our suitcase if we had to leave home suddenly. The children drew some lovely illustrations of their chosen belongings.

We have also been busy preparing for our Assembly, learning new songs and learning lines. The classroom has also been like a workshop as the children create the crafts for our Enterprise Stall in early July. They are very excited to be sharing their work with you.

The highlight of the month has definitely been our trip to Caswell beach where the children behaved beautifully and made some lovely memories.

Year 1

Blwyddyn 1

What a wild and wonderful month it's been in Year 1!

We've had an action-packed few weeks full of learning, creativity, and community spirit, all linked around our topic, 'Wild Things'. We've been learning all about the life cycle of a butterfly—and what better way to learn than by watching it happen before our eyes? Our classroom is now home to real-life caterpillars! The children have loved caring for them and are eagerly waiting for the moment they transform into beautiful butterflies.

We've also kicked off preparations for our upcoming 'Sportathon'. The children chose to raise money for Tigglywinkles Wildlife Hospital, linking beautifully with our 'Wild Things' theme. They've shown fantastic enthusiasm collecting sponsors and getting ready to take on fun sporting challenges—all for a great cause!

This month, we've also taken time to reflect and show empathy during Refugee Week and the Day of Welcome. We read the touching story of *Bobble* and discussed ways we can help others feel safe, welcomed, and included. The children created heartfelt drawings showing how they would make Bobble feel at home.

As we approach the end of the school year, excitement is building for our Year 1 End of Year Assembly! The children have been rehearsing their songs and practicing their lines with pride and confidence. We can't wait to share this special moment with you soon.

Year 2 Blwyddyn 2

Year 2 have had another busy month. We have been enjoying learning about woodland animals, the trees we have in our woodland and spending time learning outdoors. Both classes had a fantastic time on their trips to the woods. We have started to learn about bees and their vital role in the environment. We have been learning about the parts of a bee and we have been planting bee friendly plants.

In Literacy, we have been learning to write a discussion text for and against cutting down trees. We have also been busy learning our 'The roundabout land' talk for writing text. In Welsh, we have been practising using our Welsh sounds to read 'Parri Pry Cop'. In Numeracy, we have been learning about halves and quarters. We have also been practising to use a variety of coins to add amounts together in preparation for our Honeywood Market.

For the market, the children planned what products they would like to make and sell, as well as deciding on the price to sell products for based on the cost and time to make them to make a profit. The children loved setting up their stalls with their products and the signs that they had designed and made for each stall. Thank you to everyone who came to support us and bought our products.

We enjoyed reflecting on our time in Year 2. We revisited all our topics and the children planned what they wanted to talk about in their class assembly. It was very difficult for us to decide which of our memories to share! The children shared some of their favourite facts they have learned, songs and talk for writing.

Year 3

Blwyddyn 3

We've had a busy and exciting month in Year 3, filled with learning, laughter, and lots of exploration inside and outside the classroom!

In Literacy, we've been learning how to write discursive texts. The children have enjoyed exploring different sides of a debate, learning how to give reasons for their opinions and how to present balanced arguments. We've had some fantastic discussions around topics such as "Should animals be kept in zoos?"

In Maths, we've been focusing on multiplication and division. The children have worked hard to build their understanding of these key operations, using arrays, number lines, and practical resources to support their learning. We're becoming more confident with our times tables and beginning to see the links

Our topic *Wonderful Wetlands*, has truly come to life—quite literally! The children were thrilled to discover a wide range of creatures, including tadpoles, froglets, and other pond mini-beasts. This experience really helped us understand the importance of wetlands as habitats, and sparked lots of curiosity and excitement!

As part of our learning in the community, we've started planning our upcoming charity walk. The children have been learning to read and use maps to help plan our route and think about safety and distance. We've also been busy practising the Pbuzz in preparation for our concert on Wednesday. The classroom has been filled with the sound of buzzing, and we can't wait to share our talents with you.

Year 4

Blwyddyn 4

June has been a month full of preparation and excitement for our Year 4 pupils. Our children have been working hard on their Enterprise Project, where they've had the chance to develop their entrepreneurial skills and showcase their creativity.

Enterprise Project Highlights

Throughout the month, the children have planned, designed, and created a wide range of projects. They've been busy with creating posters to advertise their ideas, undertaking surveys to better understand their target audience, sewing pin cushions to put their crafting skills to the test, sawing wood to create beautiful wooden scenes and wirework designs, designing insect-themed bunting, decoupage plant pots for a lovely eco-friendly touch and creating seed packets for a green-thumbed twist. All their hard work will come to life next week at our Enterprise Showcase, where the children will proudly present their projects. They are so excited to share their creations with you, and we can't wait to see you there!

June has been an incredibly busy month, filled with opportunities that will stay with our children for years to come. From honing their creative skills to practicing teamwork, these experiences will be cherished and remembered. The children have truly excelled, and we couldn't be more proud of their hard work and dedication.

We hope you are as excited as we are for the upcoming events!

Thank you for your continued support.

Year 5

Blwyddyn 5

June has been an amazing month filled with learning, creativity, and unforgettable experiences.

In Literacy, we explored the features of explanation texts, leading up to writing our own all about the water cycle. The children showed fantastic understanding and creativity. In Maths, our focus has been on shape, area, and perimeter, as well as revisiting key mathematical concepts to consolidate our learning.

A major highlight was our Primary Partners performance, which was a huge success! A big thank you to everyone who came to support. The whole school had the opportunity to watch, and it even brought tears to the eyes of many teachers – a true testament to the children's hard work and talent! We also had the chance to visit the Taliesin Arts Centre to watch the Year 6 performance, which was absolutely brilliant. Year 5 were thoroughly inspired by their peers.

Another exciting event was a visit from author David Brayley, who held a Q&A session and kindly signed copies of his new book *George's Fateful D-Day*. It was a great opportunity for our young readers and writers to meet a real-life author.

Year 5 were invited to take part in the Ospreys beach rugby event, where they demonstrated incredible talent and teamwork – for some, it was their first time playing rugby! We took the opportunity to carry out a beach clean, collecting multiple bags of litter and showing great environmental responsibility.

We're now looking forward to making the most of our final month in Year 5!

Year 6

Blwyddyn 6

June has been a very busy month. First and foremost, our trip to Crucial Crew was a resounding success! The children were engaged and learned essential life skills while experiencing various scenarios related to safety and responsibility. It was wonderful to see how impressed our visitors were with the enthusiasm and maturity displayed by our pupils.

In our art sessions, creativity has been at the forefront. The children have been working diligently on 3D models inspired by the book, *The sky above our eyes*. Their creations, including flying birds, rockets, and an imaginative collage of space, truly reflecting their artistic talents. We've also explored radial art and experimented with styrofoam printing, which has turned out to be a favourite amongst the class. Additionally, we've been learning about planets, which has sparked a lot of curiosity and fabulous discussions.

In IT, the children have been busy creating stop motion animations also based on *The Skies Above Our Eyes* and *Are we made from stardust?* by Maggie Aderin Pocock. This project has allowed them to combine their storytelling skills with digital creativity, resulting in some impressive short films. The children performed their space-themed dance and exhibited their art, along with their animated film, at the Taliesin Theatre, in collaboration with other schools. This event showcased their hard work and dedication, and it was a joy to see their creativity shine on such a significant stage. Their performance was outstanding.

Lastly, we are in the process of writing letters to their buddies. This is a wonderful way for them to maintain connections as they move into Year 7 and we are sure the recipients will appreciate the thoughtful gesture.

School Council
Cyngor Ysgol

This half term, School Council have been busy making and creating attendance posters with their classes and sharing their progress in council meetings. The Council are looking forward to seeing all the completed posters to decide which ones which will displayed around our school, on the school website and Dojo.

Next week, School Council will be meeting with Anne-Marie from Swansea Council Catering Services to explore possible fruit options for school dinners. They will be preparing a selection of fruit to take part in a fruit tasting session so they can share their views with Swansea Council.

Eco Crew Criad Eco

At the start of the month the whole school marked National Children's Gardening week. Classes from Nursery to Year 6 were busy weeding, planting and tending flowers. The school is now beginning to bloom, which is not only beautiful to see but also helps those pollinating insects that are so important for our environment.

We also marked World Environment Day on 5th June. Classes were involved in a range of activities including whole school Eco surveys, pond dipping in our beautiful pond, designing T-shirts with environmental messages and pledges.

At the end of last year, Year 4 signed up to be part of Professor Plant's Spring Bulbs for Schools Investigation. A UK wide scheme bringing together Maths and Science skills within an environmental theme. They have been busy all year planting and monitoring and measuring weather conditions and flower growth and have recently submitted their data. Well done Year 4- they have achieved the 'Super Scientist Award' for all their hard work and commitment.

Welsh Crew

Criw Cymraeg

The Criw Cymraeg had a fantastic visit to Ysgol Gynradd Gymraeg Y Login fach in Waunarlwydd. We have partnered with this first language Welsh school to help support us further on our Welsh journey.

Y Criw Cymraeg Ysol Sgeti were able to use their Welsh sentence patterns to talk about themselves, ask and answer questions confidently with the pupils and teachers in Login Fach. This was a very proud moment for our Criw. They spoke confidently and naturally all in Welsh!

The Criw each shared their great ideas about what we do in our schools. We loved their Tocyn Iaith idea (Language Tokens) and they loved our Dewi community treasure hunt and Bore Coffi.

Visit to St Helen's **Ymweliad i Sant Helen**

Four lucky Year 6 pupils had the incredible opportunity to visit the iconic St Helens cricket and rugby ground. As part of a special event, they met descendants of the legendary 1868 Aboriginal cricket team—the first-ever international touring sports team. The pupils learned about the team's inspiring story and their journey from Australia to England over 150 years ago.

A real highlight was holding the prestigious Mullagh Medal, named after star player Johnny Mullagh. It was a truly memorable experience, connecting history, sport, and culture in a powerful way.

Netball at Hendrefoilan School

Chwarae pel-rwyd yn Ysgol Hendrefoilan

Our very first Netball tournament was held this month at Hendrefoilan School. Our first match was against Hendrefoilan Year 6. This match required a lot of teamwork and we had to use the skills from training throughout the game. Despite our amazing efforts we lost. This made us ready for the next match where we learnt from our mistakes, leading us to a win!

One pointer we took from the experience would be to always work out the tactics of the other teams, as well trying not to let them know ours.

We played against Hendrefoilan, Burlais, Duvant and Hafod. All were fantastic! We were lucky enough to have one of our players win player of the tournament, and that was Renee our GA.

We feel so proud to have come 4th place and that everyone tried their hardest and enjoyed the experience.

Staffing News

Newyddion y Staff

We are very sad to announce that Mrs Karen Eagle will be leaving Sketty Primary School at the end of this academic year as she embarks on her well-earned retirement. Mrs Eagle has been teaching at Sketty for 26 years, predominantly in the early years' classes, and is a very popular member of staff. She will be missed a great deal by staff and pupils at Sketty and we wish her all the best for a peaceful time ahead.

We will also be bidding farewell to Miss Sara Hussey who has been teaching Year 2 since November 2024. She has been a great addition to the team and has developed excellent relationships with the pupils and parents in her class. We wish her all the best as she takes up an exciting position teaching at Newton Primary School. Diolch yn fawr!!

We are pleased to announce that Miss Hannah Christer will be joining the teaching team at Sketty for September 2025. Miss Christer is already a familiar face to a number of the children at school as she has been a PGCE teaching student with Year 2 MJ. Miss Christer is looking forward to starting with us officially in September as part of the team in Year 1. She has already met the class and will be working with them over the next few weeks in readiness for the new term.

Living Streets

Our Living Streets project has been continuing this month. Well done to everyone who has become more active since we started this project. The aim of the project is to create a nation where walking and wheeling is the natural choice for every day, local journeys. If the children can walk, cycle, scoot or walk and stride once a week over the month it will make a difference.

Llongyfarchiadau i Blwyddyn 5MW who have made the most active journeys again this month. However, it is very close so da iawn pawb for being active!!

Important Reminders

Atgoffa Pwysig

- School gates are open from 8.40am-9.00am. School starts at 8.50am.
- School Uniform is a red polo shirt and blue sweatshirt, cardigan or hoodie.
- PE kit is black leggings/joggers and white t-shirt.
- Please wear sensible shoes to school. No flip flops, crocs or sandals for health and safety reasons.
- As you know, we are a large school and accumulate a great deal of lost property over the year. Please help us by making sure all clothes, bags and equipment are labelled.

Attendance

Presenoldeb

Reception AB	93.8%
Reception KE/SLJ	89.9%
Year 1 KP/SP	92.9%
Year 1 EJ	93.6%
Year 2 MJ	85.7%
Year 2 SH	92.5%
Year 3 NT	93.2%
Year 3 JG	93.6%
Year 4 SK	91.0%
Year 4 LO'M/SM	90.9%
Year 5 WD	93.3%
Year 5 MW	95.6%
Year 6 SW	90.4%
Year 6 LJ	92.2%

**Congratulations to
Year 5 MW who had
the best class
attendance this month.**

Llongyfarchiadau pawb!

This month, our whole school attendance was 92.0%.

If you your child is unwell, please remember to contact the school office to inform us.

Your Child's Attendance	National Guidelines
100% - 95%	Optimum chance to achieve well. Your child is taking full advantage of every learning opportunity.
94.99% - 90%	Satisfactory, although your child may have to spend time catching up with work they have missed.
Below 90%	Cause for concern: - 1. Your child may be at risk of underachieving. 2. Your child may need extra support from you to help catch up with missed work. Your child may be missing out on a broad and balanced education.
