The Year 6 toilets are the same as Year 5, they are opposite my new classroom.

I will continue to use the same gate as I did for Year 5 when I come into school and go home.

I will need to use these toilets and this door to come in to class.

It is ok to not know what to do all the time.

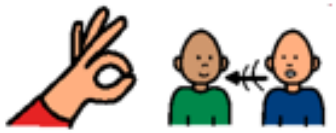

Your teacher and teaching assistant will help you. You can ask them for help or ask them a question if you are unsure about something.
