Helping young mums and dads, or expectant parents, aged 16-25 and their children to build safe and happy lives.

What we do

Housing

We provide housing related support in the home to young Mums and Dads aged 16-25 years and your children. The support we offer helps young Mums and Dads to:

- Support to speak to your landlord
- Understand and act on your rights and responsibilities as a tenant in your community

Money

We can support young Mums and Dads to:

- Maximise your income
- Manage your bills
- Learn to budget
- Negotiate with creditors
- Access specialist debt advice services
- Pursue your personal development - education, training, volunteering or employment opportunities

What we do

Your Lives

We can help you to:

- Build on your parenting skills and knowledge as young mums and dads
- Set up safe, secure, child friendly homes and help you to meet the developmental needs of your children
- Help your children live safe, happy and healthy lives
- Meet other Mums and Dads and for your children to meet new friends too
- Obtain appropriate support from other agencies and help you to become more familiar with your local community
