School Council Interview Questions for the new Deputy Head.

Savannah: *Introduce School Council members*

Harry: Why did you want to become a teacher and why do you want to be deputy head at our school? What do you have to offer to our school?

Bella: What experience do you have as a Deputy Head? How did you find the role of a Deputy Head?

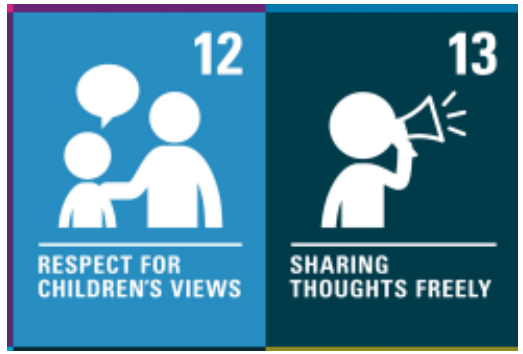

Manon: What is your greatest achievement in teaching?

Savannah: Article 29 says that education must encourage everyone's personality, talents and abilities to the full. Our school moto is 'Be the Best You Can Be'. How would you ensure that every child in our school has their rights and has the opportunity to be the best that they can be?

Charley: What is more important children's happiness or their education? How would you support pupils and staff health and well-being in our school?

Sammy: *Thank you for answering our questions, is there anything else you would like to tell us or ask us?*

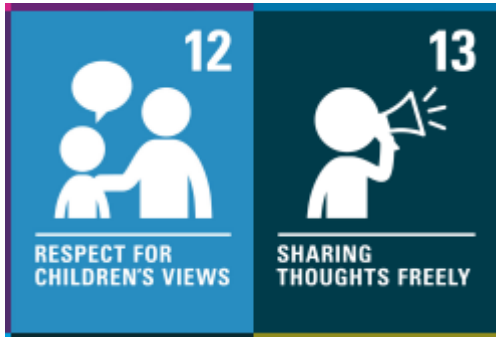

Savannah: *Thank you for speaking to us today we wish you all the very best for the rest of the interview process.*

We interviewed the candidates.

We created a table to record the candidates responses and our comments so we could feedback to the Governing Body about the applicants.
