Our visit to the Guild Hall Swansea to meet ESTYN inspectors.

We saw the Council Chambers.

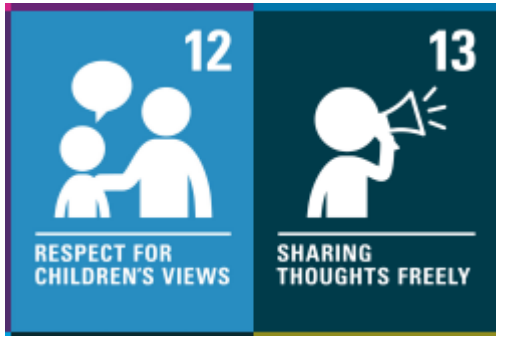

The Council Chambers are where all the Swansea Councillors sit together to make big decisions on behalf of all the people in Swansea!

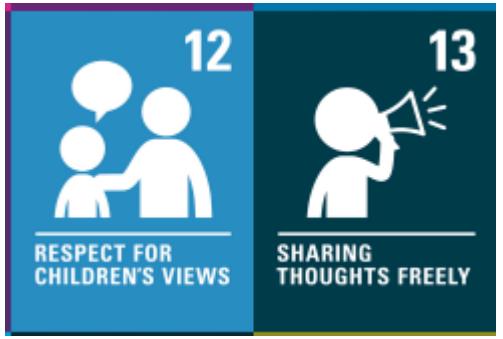

We had a meeting with ESTYN, Her Majesty's Inspectors about children's rights as part of the Swansea Council's inspection process.

We talked with Estyn about Children's Rights and Human Rights work with Swansea Council.

We also talked to the inspectors about Children's Rights and Well-being in our school. They were very impressed and thanked us for all our hard work with Children's Rights.
