

Ethically Informed Citizens

Be the best you can be

2021-2022 school curriculum

Ambitious Capable Learners

Enterprising Creative Contributors

Healthy confident Individuals

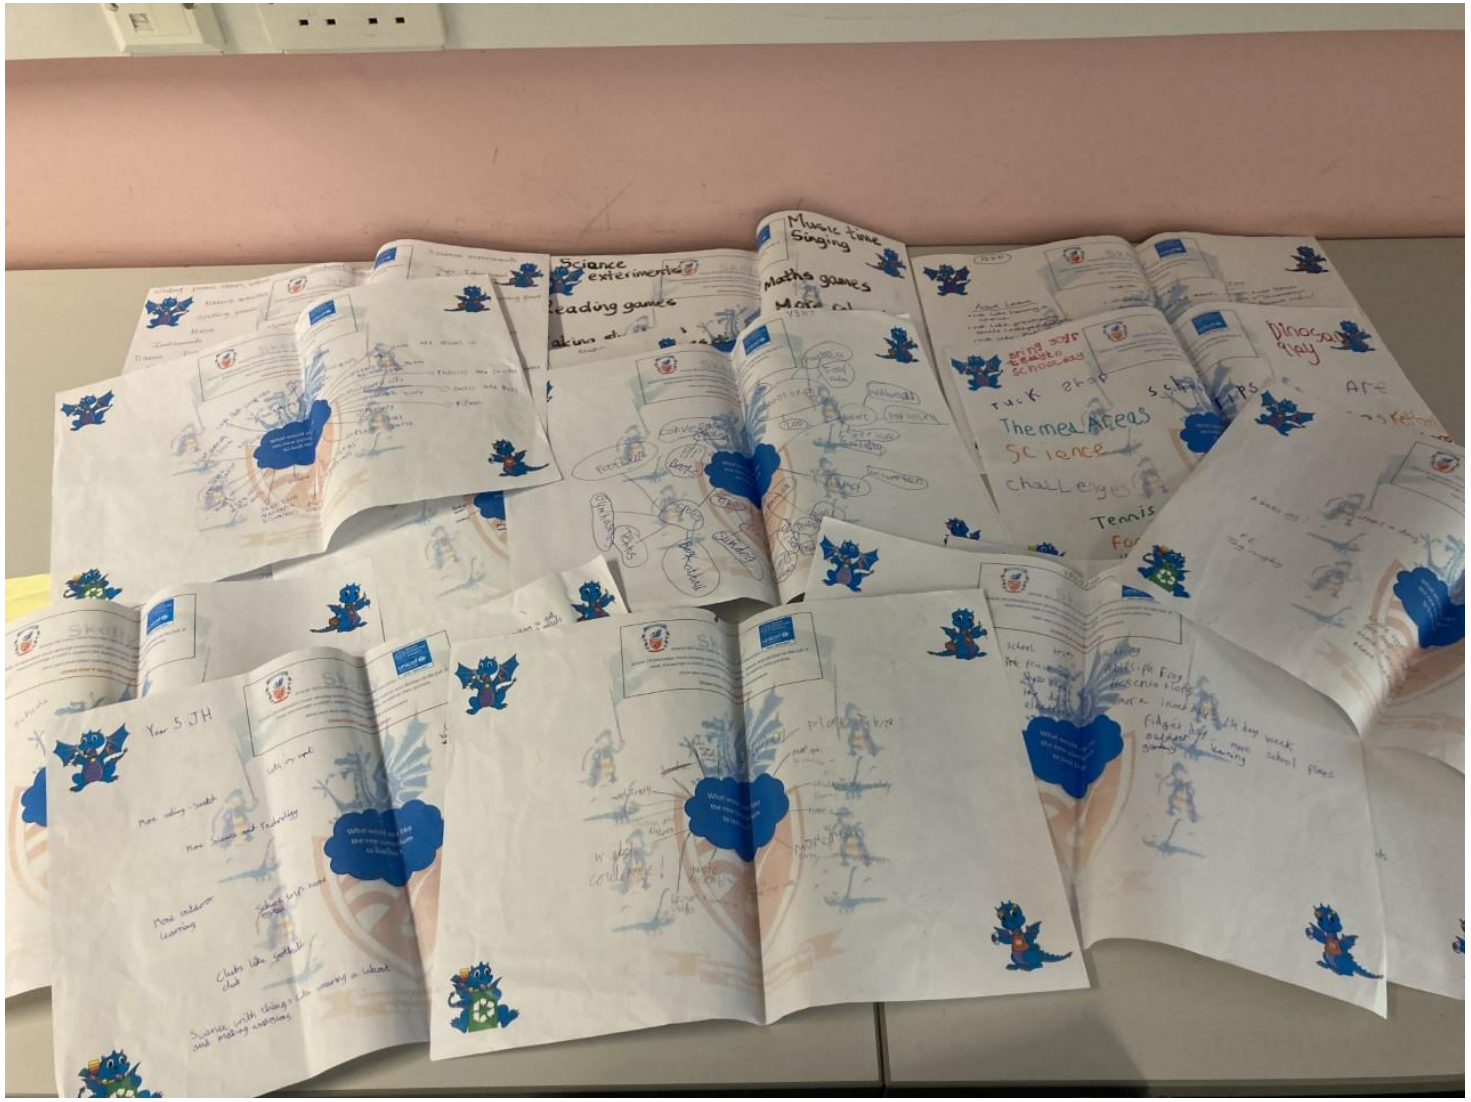

Children's education should help them fully develop their personalities, talents and abilities. It should teach them to understand their own rights, and to respect other people's rights, cultures and differences. It should help them to live peacefully and protect the environment.

School council presentation

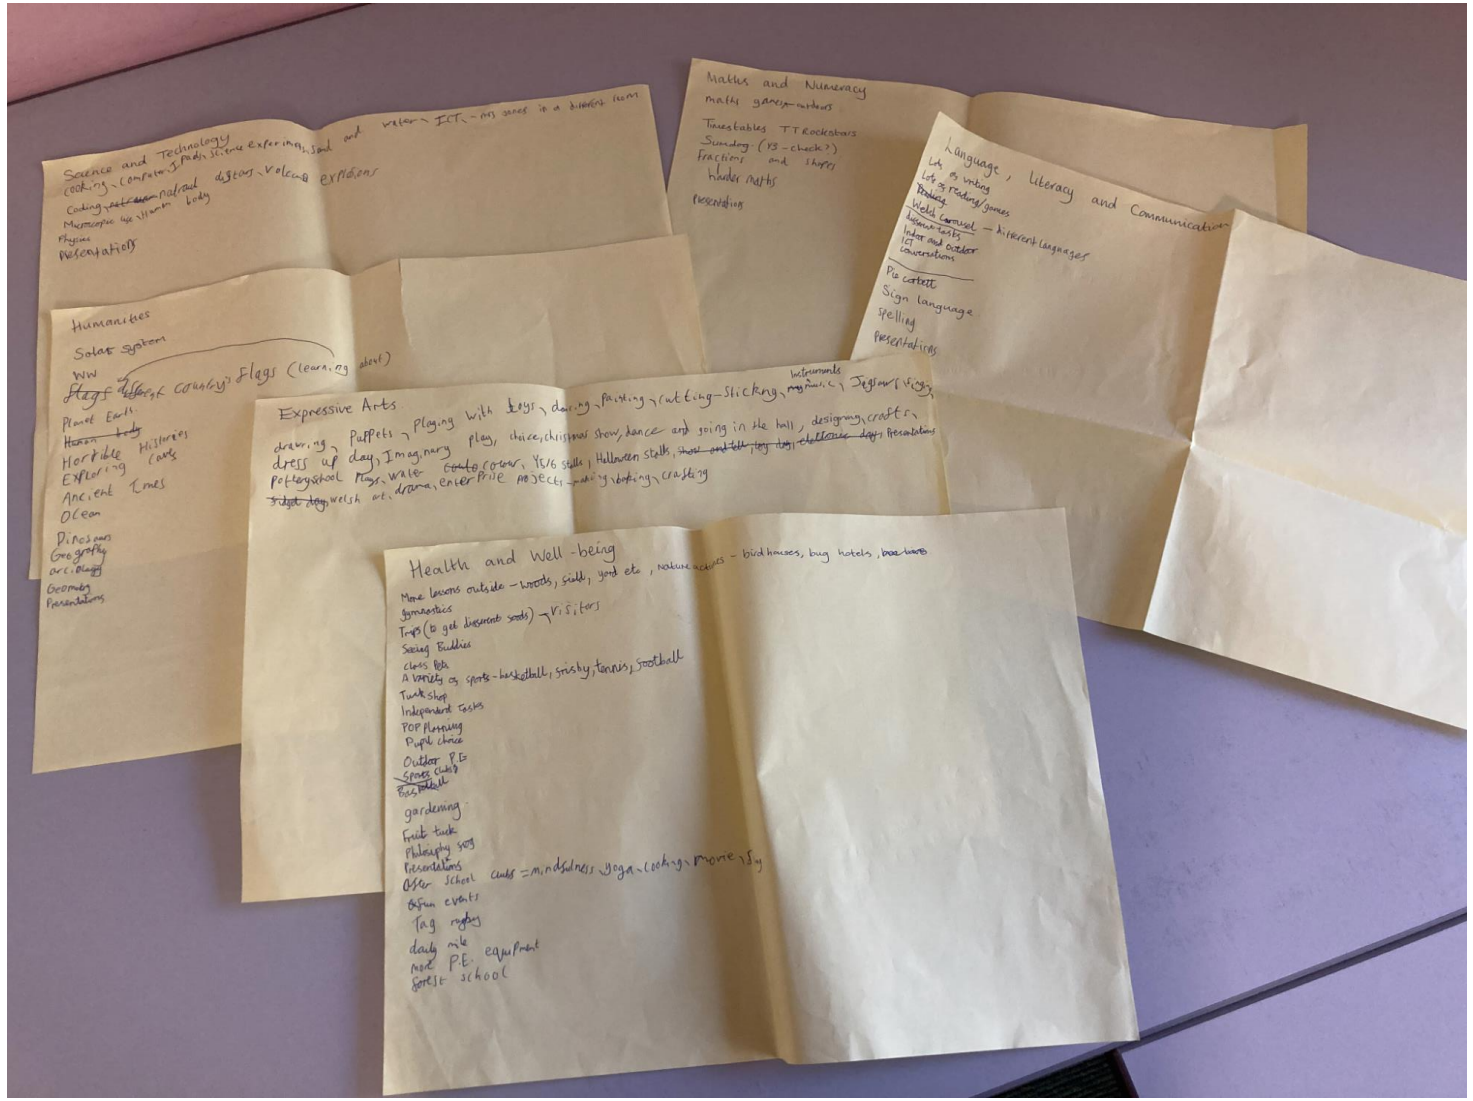

We asked for your ideas for our new school curriculum.

A curriculum is subjects and skills we will learn about and activities do in the classroom or outside.

We have put all of your ideas into a presentation, we hope you enjoy it.

First, we looked through all your ideas

Then, when we sorted your ideas into the AoLE's AoLE’s are areas of learning and experiences.

Also, part of the new curriculum is global goals and rights of the child

Here are all your ideas for the new curriculum which we have separated into the AoLE's

Language , Literacy and Communication

Language , Literacy and Communication is an important topic as we need to learn new languages and new ways to express ourselves in English.

- Reading games
- Sign language
- Different spelling tasks
- Learning different languages
- Pie Corbett

Maths and numeracy

- Maths and numeracy is an Important lesson, we are finding new fun ways to learn maths. Here are some ideas from our classmates and us!
- Maths game outside and inside.
- More Maths extensions
- Welsh Maths
- Money in pretend shop
- Fractions
- Shapes
- Timetables rockstars
- Sumdog

Science and technology

- Put your lab coat on and take a step into science and technology! This is a great way to learn coding and have different science experiments with your classmates and even having fun.
- Microscopic life
- Physics

Health and well-being

- Well-being is important to everyone. As a school we are focusing on doing more activities on your mental and physical health.
- Gardening
- Rugby and tag in P.E
- Daily mile
- Forest school
- POP planning
- Fruit tuck
- Outdoor P.E.
- Nature activities – Bird houses, bug hotel, nature hunts for things like leaves, sticks and bugs etc.
- Fun outdoor events
- Philosophy frog

Humanities

- Learning about the past is very important. We are finding new topics and activities on the past.
- Solar system
- Learning about different country's flags
- Planet Earth
- Horrible history's
- Exploration
- Archology
- Presentation's
- Geometry

Expressive arts.

- We all are creative in our own ways. Lots of people love arts and drama so we are making more lessons for you!
- Drawing
- Puppet making
- Dancing
- Painting
- Cutting/sticking
- Music instruments
- Jigsaws
- Drama
- Designing
- Crafts
- Pottery
- Water colours

Here are some ideas that are cross curricular.

- A different range of school trips (Exploring caves)
- More presentations
- Cooking
- Doing a range of carousels for different subjects.

After school clubs

- Ocean animal learning club
- Sports clubs e.g., gymnastics, basketball, tennis, football
- Mindfulness
- Yoga
- Cooking
- Singing
- Drama

We hope you enjoyed!

Thank you for listening and for all your ideas. We hope you enjoyed this presentation. We will be emailing it to all your teachers so that they can incorporate all your ideas into their lessons.
