

The Restorative Practice and Emotion Regulating Policy (RPERP) at Sketty Primary School

The Restorative Practice and Emotion Regulating Policy (RPERP) at Sketty Primary School

During the last few months, School Council have been talking about behaviour. Mrs. Phillips and the Governers wanted our input on the behaviour policy. We have looked at a draft version of the policy on behalf of the council and all the pupils of Sketty Primary. We made comments about what we thought needed to be added or changed. We talked to Mrs. Phillips about our findings. She took our opinions onboard and has added them into the policy.

What good behaviour looks like in Sketty Primary School

- Being kind helpful and respectful to others around
- Having good manners
- Being generous to people around you
- Listening and following instructions
- Being polite and playing nicely with others
- Being friendly, caring and calming to others
- Being sensible and acting in a responsible way
- Including and accepting everyone one no matter how they look or act what they believe or don't believe or what language they speak
- To be gentle and supportive
- To be welcoming to everyone
- Sharing and taking turns with things
- Letting people have a pupil voice and to not interrupt
- Be the best you can be
- Work hard and know mistakes are proof you are doing your best

Show respect to other people

Kind hands, kind feet, kind words

What you can do if someone isn't behaving well

- Try to encourage and support them to behave in the correct way.
- Tell a friend or an adult you trust, they will help and support you and the person that is not behaving well.
