Newsletter 28 – October 2026

Dear Parents and Carers,

And so ends our first half term of the academic year, and what a fantastic start it has been! It has certainly been busy but filled with so many positive moments and reasons to be proud.

I am so proud of all our children for their wonderful achievements and for the enthusiasm they have shown towards their learning. Our children continue to amaze us with their kindness, enthusiasm, resilience and willingness to have a go at any challenge we give them. A particular highlight for me this month has been watching our class assemblies. Seeing the children take to the stage with such confidence, enthusiasm and pride has been an absolute joy. Their performances were incredible and really showcased just how much they have already achieved. Our assemblies are also a wonderful opportunity for families to share in the children's achievements, and it has been lovely to welcome so many of you into school. I know how much it means to the children to see their families there supporting and celebrating them.

I would also like to say a huge thank you to our fantastic staff team for everything they have done throughout this first half term. So much work, care and commitment goes on behind the scenes to provide our children with the experiences and opportunities they enjoy each day, and I am extremely grateful for everything our staff do for the children of Sketty Primary.

Finally, thank you to all our parents, carers and families for your continued support. The partnership between home and school is incredibly important to us, and I have really appreciated the warmth, encouragement and support you have shown throughout the start of the academic year.

Have a wonderful half term. Put your feet up, relax and enjoy the break because when we return, silly season begins at Sketty! Christmas concert preparations will be well and truly underway, which means songs being practised in every corner of the school, rehearsals, excitement, costumes, performances and undoubtedly a little bit of organised chaos! It is one of the most magical times of the school year, and after such a fantastic first half term, I cannot wait to see what our children have in store for us.

Cofion Cynnes
Kind Regards
Mr Simon Lloyd-Jones
Headteacher
Sketty Primary School

Meithrin

Nursery

What an exciting October we have had at Dragonflies Nursery. Our highlight of this month was morning Nursery performing on the stage for their very first assembly. They were superstars! We are so proud of them for sitting in front of an audience and joining in with a mixture of actions, words and songs. We cannot wait until our Sioe Nadolig at Christmas.

During this month, morning Nursery have continued to develop a variety of skills during our Welly Wednesday sessions in the forest and on the field. These skills include working together as a team and as a pair; building confidence, resilience, perseverance, bodily awareness and coordination, as well as developing counting and number recognition. During Welly Wednesdays the children have been introduced to our class dragon, Dewi, who writes them letters, which include challenges for their session. Recently the children have worked in pairs to help Dewi find his lost pumpkins. They then enjoyed having fun with the pumpkins and racing them down the grass bank, before returning them to Dewi. Such fun!

Newsletter 28 – October 2026

On Friday 16th October we participated in “Show Racism the Red Card”. During this session we reminded the children of our No Outsiders message, All different, all welcome, as well as discussing what is meant by kind hands, kind feet and kind words.

The children continue to enjoy learning Welsh vocabulary and sentence patterns through song, as part of our Ffa la la programme. So far they have learnt Pwy wyt ti? Sut wyt ti? Wyt ti’n hoffi….? We enjoyed celebrating Shwmae Day on Monday 19th October and making group videos of us dressed in the colours to symbolise Wales, whilst practising saying, “Shwmae!”

A great big thank you to our families for your support this half term in helping the children settle into Nursery, and for attending your first parent meeting. As always, if you have any questions or concerns, please come and see us.

Derbyn
Reception

What another busy and exciting month we have had in Reception! The children have continued to settle beautifully into school life and have been working incredibly hard whilst having lots of fun.

It was lovely to welcome so many families to our Parents Evening. Thank you for taking the time to meet with us and discuss how your child has settled into Reception. We always appreciate your continued support.

A highlight of the month has been our class assembly. The children worked so hard learning their lines, songs and actions. We were incredibly proud of their confidence and enthusiasm. Thank you to everyone who came to support them.

For National Poetry Day, we explored a range of familiar rhymes and poems. The children loved joining in with actions, singing, and learning the words. We also had great fun changing parts of familiar rhymes to create our own versions, using our imagination and creativity.

As part of our Think Equal programme, we read and discussed the story Marvellous Me. This linked closely to Show Racism the Red Card Day, where we explored how we are all unique and special. We discussed similarities and differences between ourselves and celebrated what makes each of us who we are.

We enjoyed celebrating Shwmae Day and have been practising lots of Welsh throughout the month. The children have been learning and using Welsh words and phrases during their daily routines and have shown great enthusiasm for speaking Welsh in class.

The children had a wonderful time at the Halloween Disco! It was lovely to see them dressed up, dancing with their friends and enjoying the celebrations.

Thank you for your continued support. We are so proud of everything the children have achieved so far this term and look forward to another fantastic month of learning.

Blwyddyn 1
Year 1

It was wonderful to welcome so many of you to our class assembly this month. The children were fantastic and showed confidence as they shared their learning. Thank you for joining us.

We've enjoyed taking part in several awareness days, including Shwmae Day, Show Racism the Red Card Day and National Poetry Day. These days have given us lots of opportunities to celebrate diversity, talk about kindness and respect, and learn more about the world around us.

Our topic work has kept us very busy! The children loved estimating how tall Mumbles Lighthouse is before measuring it out and seeing just how close their guesses were. We've also been creating our own mini lighthouses for Mr Grinling and exploring signs of autumn around the school grounds. During our autumn walk, we collected natural objects and matched them to the colours on our colour wheels. The children have also enjoyed exploring provision indoors and outdoors, linked to our topic.

YSGOL GYNRADD SGETI
SKETTY PRIMARY SCHOOL
Newsletter 28 – October 2026

There has been lots of wonderful writing taking place too. Using our topic book as inspiration, the children have been writing simple sentences about different characters and working hard to apply their phonics knowledge independently. For National Poetry Day, we created poems all about our senses and the things we wonder about when exploring our school environment. In maths, we have been developing our understanding of comparing amounts, as well as finding one more and one less than a given number.

Our Think Equal stories have sparked some thoughtful discussions this month. A particular favourite was Flavia Has Feelings, which helped us learn about the mood meter and recognise that we all experience a range of emotions throughout the day.

We've also started designing Christmas tree decorations ready for our Maths Enterprise Project; Our Christmas Market. The children have come up with some fantastic ideas and are excited to see their designs come to life over the next few weeks.

We're ending the month with something we're all looking forward to - our trip to Bracelet Bay. The children are excited to meet a special storyteller and take part in activities linked to our topic learning.

Blwyddyn 2
Year 2

We have had a busy and exciting half term in Year 2. As part of our topic, VIPs, the children have enjoyed learning about people who help others and make a difference in the world. We have learned about Mary Seacole and her important work as a nurse during the Crimean War. We have also explored how hospitals have changed over time, comparing hospitals from the past with those we use today.

In Maths, we have been learning about place value, developing our understanding of tens and ones and practising how to partition numbers in different ways. The children have worked hard to explain their thinking and apply their knowledge to solve problems.

In Literacy, we have been learning about common and proper nouns and using adjectives to make our writing more interesting. To celebrate National Poetry Day, the children enjoyed sharing poems and stories before creating their own Sketty acrostic poem.

As part of our science learning, we have been finding out about the human body. We have identified different body parts and learned about some of the organs inside our bodies. The children have discovered the important jobs of the heart, brain, lungs and stomach, learning how each one helps us to stay healthy and active.

It has been another busy month at Sketty Primary! We were delighted to welcome Luke from CAMHS, who led an engaging session on kind friendships and safe relationships. The children thoroughly enjoyed getting involved in the activities.

We also proudly wore red to support Show Racism the Red Card, coming together as a school community to celebrate respect, equality and inclusion, and to send a clear message that we stand together against racism.

Blwyddyn 3
Year 3

Year 3 have been busy diving deeper into our topic, "A Step Through Time". To fully immerse ourselves in our learning, we enjoyed an exciting visit to the Copperworks and Penderyn Distillery, where Mr Rees showed us around the old mill rooms that still remain today. We were able to see the chimneys that continue to stand proudly as a reminder of Swansea's rich industrial heritage. We also boarded the Swansea Jack, travelling along the River Tawe and learning about its important role in the transportation of copper and coal during the Victorian era. These experiences brought our history topic to life and helped us develop a deeper understanding of Swansea's past.

We used our trip as inspiration for our diary recount writing, where we focused on using adverbs, time connectives and chronological order to make our writing more detailed and engaging. We have also been developing our reading skills through guided reading sessions and reading carousel activities, encouraging thoughtful discussion and improving comprehension.

In Maths, we have continued to develop our understanding of number and place value. We have been using number lines, part-whole models and practical resources to build confidence when representing, comparing and ordering numbers.

Alongside this, we have carried out investigations around copper, explored the life of Queen Victoria, enjoyed PE lessons, developed our phonics and spelling skills, and continued to share a love of reading through our class novel. We are incredibly proud of the enthusiasm and hard work Year 3 have shown throughout the month and look forward to another busy half-term ahead.

Blwyddyn 4
Year 4

What a busy and exciting few weeks we have had in Year 4 at Sketty Primary School!

One of the highlights of the term was our visit to Swansea Minster to experience GAIA, the spectacular artwork of planet Earth. The children were amazed by its scale and beauty and enjoyed spending time reflecting on how we can care for our planet and look after one another. During our visit, we worked with Hope Pugh, Swansea Minster's Outreach and Education Officer, who taught us the inspiring song One World. We proudly performed *One World* and our school song beneath GAIA before taking part in a range of creative art activities linked to sustainability, kindness and global citizenship. It was a truly memorable experience.

We were also delighted to welcome parents, carers and family members to our Year 4 Assembly. The children did a fantastic job sharing what they have been learning this term and spoke confidently and enthusiastically. Thank you to everyone who joined us and supported the children.

Newsletter 28 – October 2026

In Literacy, we have continued our Roman diary writing, using the features of diary entries to imagine life through the eyes of a Roman soldier. Alongside this, we have enjoyed creating comic strips inspired by some of our favourite graphic novels, including Bunny vs Monkey and Dog Man. The children have produced some wonderfully creative stories and illustrations.

In Maths, we have continued developing our understanding of number by representing numbers up to 10,000, partitioning numbers in different ways and calculating the scale of number lines to plot missing values accurately. We are particularly enjoying our Winning With Numbers 'You v You' challenges. The aim is not to compete against others, but to improve our own personal best. Each week, we challenge ourselves to see how many questions we can complete accurately in just two minutes, building both our confidence and number sense.

Our learning in Chinese with Mrs Gong has also been a real highlight. We have created colourful Chinese lanterns, explored the famous poem 《静夜思》 (Jìng Yè Sī) and discussed its meaning. The poem's title translates to "Thoughts on a Quiet Night" and was written by the famous Chinese poet Li Bai (李白).

The children continue to work incredibly hard, show great enthusiasm for learning and make us proud every day. We look forward to sharing more of our Year 4 adventures and achievements with you next month!

Newsletter 28 – October 2026

Blwyddyn 5
Year 5

It has been another busy month in Year 5, this first half term has flown by.

We started the month with National Poetry Day. Our text type this term has been poetry. We have looked at similes, metaphors and onomatopoeia to help make our writing more exciting. We also looked at using blackout poetry to help develop our vocabulary. To finish, we wrote our own poems and then used these to create a class poem that we shared in our class assembly.

In Maths we have continued learning our number facts in WWN, completed our work on Place Value and started looking at addition and subtraction. Our topic work has covered making periscopes to prove that light does only travel in straight lines, learned about and cracked codes and researched the war time initiative Dig for Victory, in preparation for planting some crops of our own.

We have had a visit from Luke at the Camhs Schools in Reach service. He spoke with the children about relationships, healthy and unhealthy and how to navigate them.

The highlight of the term was our class assembly. It was wonderful to see so many of you in school and to be able to share what we have learned so far this year. The children were amazing, learning lines and singing songs with enthusiasm.

Newsletter 28 – October 2026

Blwyddyn 6
Year 6

October has been an exciting and memorable month for Year 6 as we have continued our topic on Democracy.

One of the highlights of the term was welcoming MP Torsten Bell to our school. He spoke candidly about his role as a Member of Parliament and helped us deepen our understanding of democracy in action. The children had prepared a range of thoughtful and insightful questions, and Mr Bell was incredibly impressed by both their curiosity and knowledge. It was a fantastic opportunity to see how democracy works beyond the classroom and to hear directly from someone involved in making decisions that affect our communities.

We also enjoyed a visit from representatives from the Senedd, who led an engaging workshop explaining the role of the Welsh Parliament. The children learned about the areas where laws can be made in Wales and developed a greater appreciation of how decisions are made at different levels of government. The session brought our learning to life and inspired some excellent discussions.
It was also wonderful to welcome parents and families to our Year 6 class assembly. The children confidently shared some of their learning and experiences from the term so far, showcasing their hard work and enthusiasm. Thank you to everyone who attended and supported the pupils.

In Literacy, we have been developing our persuasive writing skills by preparing speeches debating whether social media should be banned for children. The pupils have worked hard to use persuasive language, rhetorical questions, emotive vocabulary and strong arguments to support their viewpoints. We have been particularly impressed by the maturity and confidence they have shown when presenting their ideas.

In Mathematics, we have been getting to grips with multiplication through our study of multiples, factors and prime numbers. The children have enjoyed tackling investigations, spotting number patterns and applying their reasoning skills to increasingly challenging problems. It has been fantastic to see their confidence and understanding grow each week.

We are incredibly proud of all that Year 6 has achieved this term and are looking forward to many more exciting learning opportunities as the year progresses. Well done, Year 6!

Cyngor Ysgol
School Council

This month our School Council members shared some of the worries and concerns that have been brought to their attention by their peers. Some of their points included:

- Wanting more rainbows, fairies, dragons, butterflies, unicorns and flying cats painted around the school
- Suggestions for keeping the woodland safer, maybe a sign in the woodland saying care for nature
- Wanting a climbing wall on the yard
- More playground equipment
- Having a regulation wall on the yard with fidgets
- The hall not being cleaned properly after lunch meaning there is sometimes food on the floor when they have PE sessions
- Some chairs needing fixing in Year 5

Our Year 4 and 5 School Coucnil members shared their points with Mr Lloyd-Jones and Ms Johns for consideration.

Rags2Riches4Schools

With half term upon us it's time to have a bit of a clear out before Christmas. We will be having a collection of your used clothes for our Rags2 Riches scheme, where we raise money for the school for every kilo collected as well as supporting those in need. The large container by the school barriers will be open at school drop off and pick up from WEDNESDAY 4TH NOVEMBER until our collection day on WEDNESDAY 11TH NOVEMBER. Please use your own bags and make sure they are secured tightly.

Batteries:

Congratulations to Year 2RC for winning the first battery collection of the year. They collected 405 batteries- a great start to the year, well done Y2.

New Members

The Eco Criw met this month to discuss some upcoming projects, more news on that next month. It was lovely to welcome two new members from Year 3, Freddie and Amelia, I can already tell they are going to be brilliant assets to the criw.

It has been a fantastic period for school sport at Sketty Primary, with our pupils representing the school with pride, determination and excellent teamwork across a number of events.

A huge congratulations go to our Year 6 boys' football team, who recently competed in the Urdd Football Tournament. The boys performed brilliantly throughout the competition, demonstrating superb skill, resilience and sportsmanship. Their hard work was rewarded with an outstanding podium finish, a fantastic achievement that reflects the dedication they have shown both in training and matches throughout the year.

Our Year 6 girls' football team also represented the school at the Urdd tournament and should be extremely proud of their efforts. Competing in their first tournament together, the girls showed great enthusiasm, determination and courage. They grew in confidence with every game and produced some excellent performances, providing a strong foundation for future success.

Meanwhile, pupils from Years 5 and 6 took part in fixtures against Hendrefoilan Primary School. This was a great opportunity for players to develop their understanding of the game and build strong partnerships on the pitch. It was wonderful to see the teams beginning to gel together, supporting one another and working collectively as a cohesive unit.

We were also delighted to participate in the Ospreys in the Community Girls in Rugby Festival at Morriston RFC. The festival was an excellent experience for our girls, who embraced every challenge with enthusiasm and determination. Throughout the day, they demonstrated significant development in their skills and showcased outstanding teamwork. It was particularly pleasing to see how closely the players worked together, supporting one another and displaying the qualities of a tight-knit team. There is no doubt that we have some exciting and talented young players emerging within the group.

Hyfforddiant Staff

Staff Training

As part of our INSET Day on 2nd October, the whole staff team attended the National Education Show in Cardiff. Staff participated in a wide range of informative seminars covering areas such as wellbeing, ALN, outdoor learning, ICT, literacy and music. The event provided valuable professional learning opportunities and enabled staff to gather new ideas and approaches to further enhance teaching and learning at Sketty Primary School.

The second group of staff have now completed their First Aid Awareness training. This means every member of staff at Ysgol Sgeti has received training, further strengthening our whole-school approach to keeping our children and staff safe.

Ymwelwyr
Visitors

Our School Improvement Advisor, Russell Dwyer, visited Ysgol Sgeti at the beginning of the month and thoroughly enjoyed spending the day with our school community. His visit provided an opportunity to celebrate the many strengths of the school, while also discussing our key priorities and aspirations for the year ahead.

The day began with an inspiring Year 3 class assembly, where pupils confidently shared their learning. Mr Dwyer was particularly impressed by the pupils' confidence and the strong sense of community that was reflected during the assembly. Following this, Mr Dwyer met with Mr Lloyd-Jones and Ms Johns to discuss the school's improvement priorities and spoke with Ms Johns to explore our focus on reading. They discussed the strategies being implemented across the school to foster a love of reading and ensure that all learners are supported to make strong progress.

Mr Dwyer also met with Mrs Fox to learn more about our exciting plans for outdoor learning and Mr Tucker and our newly established Team Technoleg to hear about the team's vision for developing digital skills across the school.

Overall, Mr Dwyer's visit was a positive and encouraging opportunity to showcase the great work taking place across Ysgol Sgeti. We look forward to working together to provide the very best experiences and outcomes for all of our pupils this year.

PTA

🎃 A huge thank you to everyone who came along to our Halloween Disco, volunteered, donated or helped in any way. Together, we raised an amazing £1,372.26 for the PTA! 🪩

We've been blown away by the support from parents and grandparents this year. It makes such a huge difference to the PTA, and we're so grateful.

We're all working parents, so organising and running school events can be a lot to manage at times. That's why we're hoping to take a "many hands make light work" approach—and every offer of help really does count.

Thank you so much for all the help and support you've given us so far this year. 💙 ❤️

Living Streets

Our Living Streets project has been continuing this month. The aim of the project is to create a nation where walking and wheeling is the natural choice for every day, local journeys. If the children can walk, cycle, scoot or walk and stride once a week it will make a difference.

Llongyfarchiadau eto i Blwyddyn 3 AB who made the most active journeys this month.

Important Reminders

- School gates are open from 8.40am-9.00am. Please come to the office if you arrive after 9.00am.
- The register is taken at 8.50am.
- School Uniform is a red polo shirt and blue sweatshirt, cardigan or hoodie.
- PE kit is black leggings/joggers and white t-shirt.
- Please wear sensible shoes to school. No flip flops, crocs or sandals for health and safety reasons.
- As you know, we are a large school and accumulate a great deal of lost property over the year.

- **Please help us by making sure all clothes, bags and equipment are labelled.**

Presenoldeb
Attendance

This month, our whole school attendance was 94.5% which is the same as last month.

Congratulations to Year 3 WD who had the best class attendance this month. Well done also to Year 3 AB who were not far behind.

Reception EJ	92.6%
Reception SP/ER	93.3%
Year 1 HC	95.2%
Year 1 KP/SG	95.1%
Year 2 CW	93.6%
Year 2 MJ	90.8%
Year 3 AB	97.0%
Year 3 WD	97.3%
Year 4 JG	94.2%
Year 4 NT	95.9%
Year 5 SW	94.0%
Year 5 SK	95.7%
Year 6 MW	92.3%
Year 6 LJ/EC	95.3%

If your child is unwell, please remember to contact the school office to inform us. A message can be left on the answer machine.

Please do not use class dojo to explain absences as teachers don't always get the chance to check during teaching time.

Your Child's Attendance	National Guidelines
100% - 95%	Optimum chance to achieve well. Your child is taking full advantage of every learning opportunity.
94.99% - 90%	Satisfactory, although your child may have to spend time catching up with work they have missed.
Below 90%	Cause for concern: - 1. Your child may be at risk of underachieving. 2. Your child may need extra support from you to help catch up with missed work. Your child may be missing out on a broad and balanced education.
